## Moore and Black Gain Third Round In British Golf

British Columbians Along With Five Other Canadians Continue to Display Brilliant Form in Amateur Championship at St. Annes

### Lawson Little In Decisive Victory

Canadian Press

St. Annes on Sea, Eng., May 21.—The seven Canadians out of an original entry of ten from the Dominion scored all along the line as the British Amateur golf championship progressed to-day, five of them winning their second-round matches and two others winning belated first-round encounters.

Going into the third round tomorrow will be Phil Farley, Toronto; Edward Innes, Montreal; Bud Donovan, Winnipeg; Ken Black, Vancouver, and Dick Moore, Victoria. Black and Farley scored 5 and 4 victories.

Meantime the United States contingent, headed by Lawson Little Jr., San Francisco, defending champion, was whittled down from eleven to seven, the latter including two entrants who have not been called to play until the third round tomorrow.

**LITTLE HITS STRIKE**  
In a sharp form reversal, contrasting with yesterday's floundering exhibition, Little gave a spectacular performance in eliminating Eric Martin Smith, former titleholder, in the second round. Little won 5 and 3.

The husky Californian was one of four Americans who survived the second day of play. Four others were sent to the sidelines.

Besides Little, United States winners were T. Saffern Taylor Jr., Piping Neck, N.J., who eliminated Andrew Jamieson Jr., former Scottish champion; Captain Webster-Bullough, Monterey, Cal., and Robert Sweeney, a former New Yorker now living in London.

Defeated United States contenders were John Foran, New York; Robert W. Knowles Jr., Brookline, Mass.; Guy Hayes, North Andover, Mass., and Robert Stranahan, Toronto. O. Three others were not scheduled to play to-day.

Black, runner-up for the Canadian amateur crown two years ago, turned in an easy 5 and 4 triumph over F. Lever, Fairhaven. Moore finished shortly afterwards, progressing with a fine win over A. S. Anderson, Hindhead, by 3 and 1.

## Says Auto Tariffs Burdensome To B.C.

Have Cost Province \$18,000,000 in Last Nine Years, Government Counsel Tells Tariff Board

Canadian Press

Vancouver, May 21.—British Columbia spent \$18,000,000 to help maintain the automobile industry in Canada in the last nine years, J. W. De B. Farris, the B.C. government's spokesman at the Dominion Tariff Board's hearing here, stated to-day as he led an attack on existing customs and excise duties in the automotive industry.

The three main points of his argument were:  
1. The tariff protection afforded to the motor vehicle industry is unduly burdensome to the people of Canada.  
2. The existing tariff is unnecessarily high to afford reasonable protection to the industry.

3. The tariff protection given to the automobile industry is unduly burdensome to the people of British Columbia. The province receives no compensating equivalent.

Mr. Farris contended that, if in 1929 automobiles had been admitted into Canada without charge, Canada would have saved \$18,000,000 in car purchases. He remarked that wages and salaries of the industry in Canada for that year amounted to \$25,500,000 or \$18,500,000 less than the import levy.

**RELIEF FROM DUTY ASKED**  
Vancouver City Council asked the tariff board to find that there should be no duty on refined gasoline. Aid. Walter East, with J. Pitts, Hogg as counsel, presented the city's case.

Mr. Hogg cited evidence taken by the royal commission investigating the fuel industry in British Columbia to establish that gasoline can be imported, duty paid, and retailed in Vancouver at 25 cents a gallon, allowing the retailer the same 4 cents spread he gets on to-day's 30-cent price.

**TAMPERING WITH SUPPLY**  
Actual efforts to do this have been frustrated by tampering and interference.

(Turn to Page 2, Col. 5)

## LAWRENCE FUNERAL HELD

Only 100 at Simple Last Rites For Soldier-author in England

Canadian Press From Havas

Moreton, Dorset, Eng., May 21.—In accordance with his known wishes, the funeral service to-day for Col. T. E. Lawrence, who died Sunday as a result of injuries received in a motorcycle accident, was of the severest simplicity.

The coffin containing the body, wrapped in a Union Jack, was brought from the Boxington military camp hospital by private, intimate friends of "Air-Force T. E. Shaw," as he was known to the ranks. The service was held in the small seventeenth century chapel here. About 100 persons heard the pastor's simple eulogy.

Brilliant uniforms and glittering decorations were conspicuously absent at the service. The majority of mourners were dressed in ordinary clothes without any distinguishing mark of sorrow.

The only witnesses of the funeral cortege were a few tank corps soldiers and a handful of "navies" at work on the road between here and the camp. They raised their hats and stood in silence as the motor hearse passed them.

The service was conducted by Rev. Canon Kinkaid. After the reading of a brief eulogy and a lesson, Lawrence of Arabia, the "maker of kings," was taken to be lowered into an evergreen-tinted grave in the cemetery here, less than an acre in size.

**GRAN CHACO PEACE CONFERENCE SOON**  
Canadian Press From Havas

Geneva, May 21.—The League of Nations Assembly, in extraordinary session, approved the report of its consultative committee on the Gran Chaco hostilities between Bolivia and Paraguay, recommending that the controversy be submitted to the forthcoming Buenos Aires peace conference.

The effect of the resolution was to discharge the League from further consideration of the troublesome Chaco question.

The Buenos Aires negotiators will report back to Geneva.

## CANADA SEEKS ITALIAN TRADE

Mussolini Asked to Enlarge Quotas For Canadian Exporters

Canadian Press

Ottawa, May 21.—Canada has laid before the Italian Government a plan of enlarging import quotas, it was announced in the House of Commons to-day by Minister of Trade R. B. Hanson.

The Italian quota system was launched earlier this year and affected all countries. The quota for dried salt fish, for instance, was set at 20 per cent of the 1934 imports from all countries.

Canada, Mr. Hanson said, had prepared a draft agreement to enlarge the quota of imports of Canadian goods and submitted it to Premier Benito Mussolini's government.

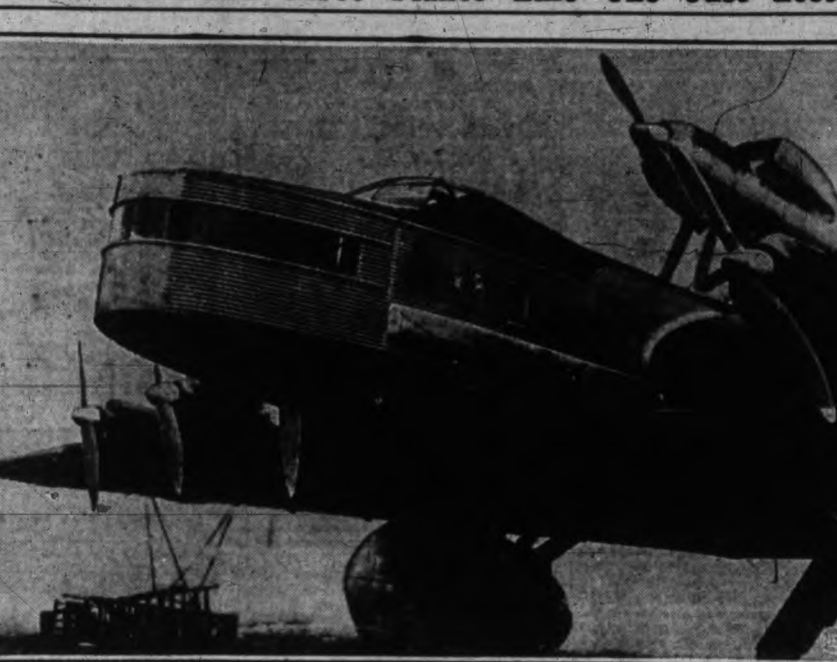

**DRIVER OF SPEED AUTO IS KILLED**  
Associated Press

Indianapolis, May 21.—Johnny Hannon of Norrisville, Pa., was killed at the Indianapolis Motor Speedway to-day while practicing for the annual 500-mile race.

**JANE ADDAMS GROWS WEAKER**  
Associated Press

Chicago, May 21.—The condition of Jane Addams, seventy-four, widely known social worker and founder of Hull House, who underwent an operation for abdominal adhesion Saturday, this morning was announced "critical."

## Soviet to Build Three Planes Like One Just Lost

Undaunted by the crash in which the Maxim Gorky, the world's largest land plane, was wrecked in a suburb of Moscow with a loss of forty-nine lives, the Soviet government already has announced plans to build three more like it, to be named Nikolai Lenin, Josef Stalin and Maxim Gorky. The above picture of the Maxim Gorky, taken not long ago at Moscow, when the giant was in flying trim, gives an impression of what the new ones will look like. Each will have eight motors.

## Bennett Is Ready To Aid Vancouver In Keeping Order

Prime Minister Tells Commons He Has Informed Premier Pattullo Request From Him Would Bring Action

Canadian Press

Ottawa, May 21.—If British Columbia authorities fail to maintain law and order and prevent anarchy in that province, it will only be because they neglect to ask the federal government for assistance, Prime Minister R. B. Bennett told the House of Commons to-day.

He said when questioned by Angus Macdonald, Labor, Vancouver South, about the relief camp strike, that he had drafted a communication to Premier T. D. Pattullo of British Columbia informing him of his view.

The federal government, said Mr. Bennett, could take no action either to maintain law and order or to enforce the criminal law within a province without a request from the province. Such intervention would be as unconstitutional and illegal as any of the acts attributed to the strikers.

"There can be no trifling with anarchy. There can be no playing with chaos," said Mr. Bennett. "But as long as incentives are given to men to maintain chaotic and anarchistic conditions there can be no adjustment or agreement on the matter under dispute."

**MOUNTED POLICE**  
Mr. Bennett said the provincial authorities had asked for no assistance except some additional mounted police, which were supplied. But the

provincial authorities said a duty was imposed on the federal government to expand its currency and provide work and wages.

**RELIEF CAMPS**  
No trouble had occurred in any province in connection with the strike except in British Columbia. Last year the British Columbia Police Chief Ralph Newman to-day said he would conform to an old ordinance and work city prisoners on the streets with hails and chains attached to their legs.

**CAMP PROBLEM FOR DOMINION**  
Canadian Press

Vancouver, May 21.—"I think the public is leaving the camp problem to a Dominion responsibility," Premier Pattullo said to-day when questioned concerning the problem of caring for striking relief camp workers now in Vancouver. The Premier had had no communication with Mayor G. G. McGeer on the matter to-day, he refused to comment further.

**Lumber and Mines Production Gains**  
Log Volume Up 20 Per Cent For Four Months, But Market Output Is Not Bright; Minerals Better Than Forecast.

Lumbering and mining industries, two of British Columbia's chief sources of revenue, forged ahead to substantial gains over 1934 production during the first four months of this year, it is indicated in returns to governmental offices.

In volume of production, lumber is running about 20 per cent ahead of last year.

While figures are not available, the mineral output is reported substantially higher.

Increased employment opportunities are indicated by the higher output of both industries.

Marked and labor troubles, however, have dampened the outlook for the immediate future.

Figures on lumber production, released to-day by the forest branch, showed an increase of 91,000,000 feet board measure in regular grades. The comparison: 1935, 669,223,277 feet; 1934, 478,337,335 feet to the end of April. The month of April alone showed an advance from 124,359,696 to 281,570,647 feet.

## Germany Will Maintain New Army, But Respects Treaty Territory Clauses

### LABOR LAWS ARE ENFORCED

New Inspection Branch Now at Work; First Conviction on Keeping of Records

Canadian Press from Havas

Berlin, May 21.—Compulsory military service of one year in the army, navy and air force, was promulgated to-day by the German cabinet at a special meeting called just before the session of the Reichstag.

The decision was taken in conformity with the March 16 announcement that Germany had re-established obligatory conscription, in defiance of the military clauses of the Treaty of Versailles.

With its new inspection branch now in the field, the Department of Labor is making a strenuous drive for complete observance of minimum wage and hours of work regulations, Hon. George S. Pearson, Minister of Labor, intimated to-day.

The main policy of the inspection branch, he explained, is to secure co-operation rather than coercion to enforce the laws but where prosecution is necessary it will be carried through.

One of the first convictions against an employer for failing to keep records has just been obtained. A Japanese operator of a cloth-making establishment in Vancouver was fined \$10 on this account and \$25 on each of two other charges of not paying minimum wages.

Proper keeping of records by employers is one of the essentials to enforcement, the minister pointed out. Considerable trouble has always been experienced on this account as far as Orientals are concerned, and more prosecutions may be necessary to impress the fact.

**NEW YORK EXCHANGE**

New York, May 21 (Canadian Press).—Leading currencies showed fractional variations on the foreign exchange market to-day.

The pound sterling declined 1/4 cent to \$4.90 1/2, the French franc eased .004 of a cent to 6.58 1/2 cents, while the Canadian dollar improved 1/32 of a cent to par.

**CABINET STUDIES DRAFT OF BILLS**  
Canadian Press

Ottawa, May 21.—The cabinet to-day spent more than two hours on legislation dealing with the report of the mass buying commission in an effort to get the bills ready to be placed on the House of Commons order paper. No time was available for discussion of other questions.

The government attempted to launch a refunding loan in the United Kingdom last fall, but had to abandon the plan because of the difficulties of Vancouver and completely destroyed by the Ontario Legislature.

It had been planned to refund \$20,000,000 in Canadian bonds and the saving in annual interest charges would have been \$700,000.

The Prime Minister first discussed bonds by referring to an article in a Toronto newspaper which said the recent \$60,000,000 loan was a mystery loan and was gobbled-up by banks and insurance companies.

The facts were quite the opposite, Mr. Bennett said. Banks and insurance companies were given a very small percentage of the \$60,000,000 and the general public a large share. The banks subscribed for 10.1 per cent of the loan.

**Use Tax Tokens For Poker Chips**  
Metal Discs Go Out of Circulation in Washington State; Paper Tickets Now

Seattle, May 21.—The good citizens of Washington State who roared with wrath when the Legislature imposed a 2 per cent sales tax payable in metal tax tokens, are laughing about it to-day, because they have cornered the market and are using the tokens for poker chips.

"The round aluminum tokens are cheaper than regular chips," said one pool-hall poker player, "and besides, they don't click. The cheapest poker chips sell for around 35 cents a hundred, but for 15 cents you can buy 275 tax tokens. Yeah, we can use 'em."

The people took the metal tokens out of circulation so fast the tax commission, despairing because it would collect no 2 per cent tax, printed paper tickets instead. The stores simply refused to try to collect the tax, because the customers said airily:

"We have no tokens. Is that our fault?"

Metal tokens vanished from the banks a week ago.

(Turn to Page 2, Col. 5)

### ARMY TERM IN GERMANY YEAR

Canadian Press from Havas

Berlin, May 21.—Compulsory military service of one year in the army, navy and air force, was promulgated to-day by the German cabinet at a special meeting called just before the session of the Reichstag.

The decision was taken in conformity with the March 16 announcement that Germany had re-established obligatory conscription, in defiance of the military clauses of the Treaty of Versailles.

With its new inspection branch now in the field, the Department of Labor is making a strenuous drive for complete observance of minimum wage and hours of work regulations, Hon. George S. Pearson, Minister of Labor, intimated to-day.

The main policy of the inspection branch, he explained, is to secure co-operation rather than coercion to enforce the laws but where prosecution is necessary it will be carried through.

Thirteen-point Programme For Reich Laid Down in Fuehrer's Address to Reichstag and Nation; "We Decry War For Subjugation of Foreign People," He Declares

### Radio Carries His Words To Millions

Canadian Press from Havas

Berlin, May 21.—Adolf Hitler, in a speech before the Nazi Reichstag, tonight told the world that Germany would maintain its new-found military powers to the maximum, but would respect the territorial clauses of all treaties and was ready to negotiate honorably with the nations.

A thirteen-point programme for the Third Reich was contained in one of the most momentous international declarations since the Great War. These points included:

1. A minimum German army of 800,000 men.

2. A minimum German navy of 35 per cent of the British fleet and 15 per cent inferior to the French fleet.

3. An air force limited to equality with Europe's largest.

4. The Hitler Reich will respect the Locarno treaty.

5. He pledged, all treaties concluded since the demilitarized Rhine-forest broadcast.

6. The League of Nations, he declared, and his every word was taken to all corners of the Reich by thousands of loud-speakers—should be built on a basis of absolute equality.

He said, however, Germany was convinced that its measures had been taken only against discriminatory treaty clauses, and the Reich was ready to co-operate on all issues concerning international affairs, including the territorial clause. These could not be denounced unilaterally by other powers and were respected by the Reich, he asserted.

**RESPECTS LOCARNO**  
The Reich, he announced, would sign no treaty which did not appear possible to carry out. On the other hand, he pledged, all treaties concluded freely, even though signed before he came to power, would be respected. Germany thus would respect Locarno as long as the other signatories did.

Observance of the demilitarized zone, he said further, was a heavy burden on the Third Reich, especially since there was an incessant concentration of troops just across the border.

**TREATY REVISION**  
Germany, he announced, was ready to participate in a collective security system, but it held that treaty revision was essential if the laws of post-war evolution were to be observed. The ordered development of treaties, he contended, would make

(Turn to Page 2, Col. 7)

**HOLIDAY ON ARMS URGED**  
Senator M. E. Tydings Suggests U.S. Call World Conference

Washington, May 21.—A bill requesting President Roosevelt to call an international conference in Washington to consider a "common sense" cure for the world depression, including a five-year armament holiday and a lump sum settlement of the war debts, was introduced to-day by Senator M. E. Tydings, Maryland Democrat.

He also listed stabilization of currencies by international agreement and revision of world trade through tariff adjustments as subjects for the proposed conference. In a speech he said these four questions were "vital for recovery and for the protection of civilization."

As a basis for discussion at the international gathering, he recommended the plan for "liquidating the world depression" recently advocated by Salmon O. Levinson, Chicago lawyer and authority on world peace.

**SIXTY PER CENT**  
This plan proposes a five-year world armament moratorium and acceptance by the United States of 60 per cent of the \$10,000,000,000 war debt principal. After allowances for payments already made, the debtors would pay twelve equal annual instalments.

(Turn to Page 2, Col. 5)

**Japanese Troops Enter North China**  
Associated Press

Tientsin, China, May 21.—The Chinese press reported to-day that 200 Japanese troops traveling in motor trucks had crossed the Great Wall and reached Tientsin, in the demilitarized zone of north China.

The reports said the troops were chasing a group of Chinese residents who oppose the Japanese in southern Jehol.

"A large number of Japanese airplanes is assembled at the Malanay Great Wall pass," they added, "and one of them has been flying over Peking and Tientsin."

**AGAINST BANDITS**  
Tokyo, May 21.—The possibility of Japanese military action against alleged bandit activities in northern China was disclosed to-day in dispatches to Rengo (Japanese news agency).

Japanese military leaders were reported meeting at Tientsin to consider what measures to adopt in face of the asserted operations of several thousand Chinese irregulars in the demilitarized zone south of the Great Wall.

**War Bonus Plans**

Associated Press  
Washington, May 21.—The word was passed in informed circles to-day that President Roosevelt had asserted that, after vetoing the inflationary Federal Reserve bill to-morrow, he also would reject any other proposal for full and immediate cash payment of the \$2,000,000,000 bonus to United States veterans of the Great War.

**Canada Not Affected By U.S. Import Ban On Coins**

Order Made to Aid Other Countries Suffering From Rise in Silver Price

Associated Press  
Washington, May 21.—Treasury officials to-day said Canadian money was not affected by the government's order forbidding the entry into this country of foreign silver coins.

The only coinage involved was that where the silver content has become more valuable as bullion than in the form of currency.

Peru is the largest country affected by the embargo, which also will apply to the metal currencies of several other nations. A list of such countries now is being prepared by the Treasury.

Treasury statistics disclosed that silver coins of at least ten countries would be forbidden entry into the United States under the new ban, officially announced yesterday evening.

The silver contents of the coins of the following countries were described as more valuable as bullion than as money: Bolivia, Chile, China, Costa Rica, Colombia, Hongkong, Mexico, Peru, Salvador and Uruguay.

This list was based on latest information available to the department.

**ARE CO-OPERATING**  
A spirit of co-operation, the Treasury said, prompted it to issue its embargo order yesterday evening prohibiting the importation of foreign silver coins except under license.

The Treasury policy of silver buying, which has led to a rise in world prices, has caused difficulties in several countries. Coins of some of them became more valuable as bullion than as money, leading to wide movements to melt them down and sell them.

Under the embargo order, which was issued by Secretary Morgenthau with the approval of President Roosevelt, silver coins of a monetary value equal at the time of entry to 110 per cent of the market value of their silver content may be imported without license.

"As the price of silver has risen," the Treasury said, "the silver content of the coins of some countries has become more valuable as bullion than

## Canada Not Affected By U.S. Import Ban On Coins

Order Made to Aid Other Countries Suffering From Rise in Silver Price

Associated Press  
Washington, May 21.—Treasury officials to-day said Canadian money was not affected by the government's order forbidding the entry into this country of foreign silver coins.

The only coinage involved was that where the silver content has become more valuable as bullion than in the form of currency.

Peru is the largest country affected by the embargo, which also will apply to the metal currencies of several other nations. A list of such countries now is being prepared by the Treasury.

Treasury statistics disclosed that silver coins of at least ten countries would be forbidden entry into the United States under the new ban, officially announced yesterday evening.

The silver contents of the coins of the following countries were described as more valuable as bullion than as money: Bolivia, Chile, China, Costa Rica, Colombia, Hongkong, Mexico, Peru, Salvador and Uruguay.

This list was based on latest information available to the department.

**ARE CO-OPERATING**  
A spirit of co-operation, the Treasury said, prompted it to issue its embargo order yesterday evening prohibiting the importation of foreign silver coins except under license.

The Treasury policy of silver buying, which has led to a rise in world prices, has caused difficulties in several countries. Coins of some of them became more valuable as bullion than as money, leading to wide movements to melt them down and sell them.

Under the embargo order, which was issued by Secretary Morgenthau with the approval of President Roosevelt, silver coins of a monetary value equal at the time of entry to 110 per cent of the market value of their silver content may be imported without license.

"As the price of silver has risen," the Treasury said, "the silver content of the coins of some countries has become more valuable as bullion than

in the form of coins, tending to cause its destruction and sale as bullion.

"A usual method of dealing with this problem has been to call in silver coins and change the silver content. An embargo on the export of the old silver coins is usually a necessary supplemental measure. Those participating in the importation into the United States of silver coins covered by such embargoes are aiding the violation of the laws of this country in question."

**Says Auto Tariffs Burdensome To B.C.**

(Continued from Page 1)

ence with the source of supply. The evidence showed, he said, the total cost of refined gasoline, including the price of crude, overhead and every proper factor, is 7½¢ a gallon. This is the actual cost to the Highway Oil Company at its British Columbia refinery.

Fuel oil and diesel oil are sold below actual cost but gasoline is sold far above cost to absorb the loss on other products from the same crude oil. Mr. Hogg claimed. He also contended the oil companies maintain a system of cost accounting which is fictitious and deceptive and should not be recognized by the tariff board in arriving at costs.

**Japanese Troops Enter North China**

(Continued from Page 1)

These reports followed earlier advice that Japanese troops were moving on the Great Wall with the intention of entering northern China on an "anti-bandit expedition."

**NEW PROTEST**  
The absence of any further reports of military activities in the vicinity was interpreted as an indication the

movement of troops into China proper may have been delayed to enable Japan to make further protests against the alleged prevalence of banditry.

The War Office asserted there was no intention of occupying Chinese territory and that the troops would be withdrawn to Manchukuo as soon as the "bandits" had been punished and dispersed.

The Tientsin council included officers of the Japanese garrison at Peiping, Tientsin and Shanghai. They were reported to view the situation in the demilitarized area with grave concern but, nevertheless, to favor addressing another protest to General Yu Hsueh-thung, chairman of the provincial government at Hopei.

**ZONE WEAKLY HELD**  
Shanghai, May 21.—Chinese authorities said the demilitarized zone in northern China into which Japanese troops were reported advancing to-day was only weakly defended by between 6,000 and 8,000 special Chinese police, widely scattered and incapable of offering any resistance to the Japanese.

The Chinese said they repeatedly had requested permission from the Japanese army to reinforce their police force in order to cope with the bandits who have been streaming into that area from the northeast, but that the Japanese had declined to permit more than 9,000 Chinese police to enter the zone.

Attaches of the Japanese legation in Shanghai declared the Japanese expedition into north China would halt as soon as the Chinese volunteers have been dispersed.

**Local Strawberries Are Ripening Fast**

(Continued from Page 1)

they will be earlier than was expected. However, I do not expect picking to begin till the first week in June."

If it were not for the recent warm weather, it is likely that the strawberry crop would have been the latest in history this year. Even now this first fruit is two weeks behind normal years. One stockholder in Victoria reported that he received the first strawberries last year on May 3, which was the earliest in his experience.

In Gordon Head G. A. Vanstright found only an odd one ripe, and did not believe that picking would begin for ten days. Growers in other districts agreed on this point, and complained of the drought which is almost turning the soil into dust.

Cyril Tolley had an easy victory in another belated first round match, knocking out William Tulloch of Cathlamet by 6 and 4.

Leonard Crawford and Red Hartley, two more home-bred stalwarts, followed Tolley into the second round. Hartley finished 1 up on Mayor F. Mitchell-Clarke, Coombs Hill, while Crawford was outting Othay Hayes, South Africa, by the same margin.

Nash's opponent was a Cambridge Blue, a nephew of Lord Hawke, the famous cricketer. Nash made the turn 3 up and held his margin at the fifteenth. There he laid his approach, dead to win the hole and the match.

**TAYLOR RALLIES**  
Taylor, showing masterly recovery, took a lead of 2 up over Hardman by the seventh hole. Hardman won the eighth and the ninth as his short game improved and when they reached the fourteenth the Canadian was 1 down.

Hardman needed three putts on the fifteenth and the match was squared. The sixteenth was halved, in four, and Taylor went 1 up at the seventeenth where the Briton topped his tee shot. The eighteenth was halved in four and the match was the Montreux.

Robert Sweeney, formerly of New York and now living in London, disposed of his first-round opponent, A. E. Walton, Blackpool, on the seventeenth green, 2 and 1.

**DARK HORSE BEATEN**  
J. R. Bryant, twenty-two-year-old "unknown," who defeated Jack McLean, the second besting favorite, was ushered out of the tournament in the second round by W. Fraser Lee, Stockport, on the nineteenth hole.

Donovan and Chambers, an American-born player long with the Beaconsfield Club, were all square most of the way but the Winnipeg youngster was better on the greens and made the turn 1 up. The match was squared at the eleventh, but then on Donovan showed the winning thirteenth and fifteenth, ending the match at the sixteenth.

Farley caused some surprise among the spectators by the ease with which he disposed of McKinlay, a Scottish international. The Canadian was out in 30, one over par, and made the turn 3 up. He was in brilliant form on the return journey, doing the first five holes in 4-4-3-4-4, even with par.

Billie Hamilton, the left-handed shotmaker who sprang a surprise yesterday and eliminated C. Ross Somerville, to-day accounted for Robert Harris, who won the championship ten years ago, by a score of 4 and 3.

**FIRST ROUND**  
Jack Nash, London, Ont., defeated J. S. T. Hawke, Bowdon, 4 and 3.

R. E. Borchgrave, Belgium, 5 and 3. D. Coates, Fairhaven, defeated R. A. Stramahan, Toledo, 2 up.

Leonard Crawford, England, defeated Othay Hayes, South Africa, 1 up.

Cyril Tolley defeated William Tulloch, Scotland, 6 and 4.

Red Hartley, England, defeated Major F. Mitchell-Clarke, England, 1 up.

Gordon Taylor, Montreal, defeated R. H. Harman, Birkdale, 1 up.

A. R. Walton, Blackpool, 2 and 1.

**SECOND ROUND**  
Dr. A. B. MacCallum, England, defeated Guy Hayes, North Andover, Mass., 2 and 1.

T. S. Tuller, Piping Rock, L.I., defeated Andrew Jamison, Scotland, 4 and 4.

R. Fraser Lee, England, defeated J. R. Bryant, England, 1 up, nineteenth.

L. Lyle, England, defeated John Forsman, New York, 5 and 4.

Edwin Innes, Montreal, defeated R. M. De Lloyd, Aberystwyth, 2 and 1.

Ken Black, Vancouver, defeated F. Lever, Fairbairn, 1 and 4.

Dick Moore, Vancouver, defeated A. S. Anderson, Hindhead, 3 and 1.

Phil Farley, of Toronto, defeated B. McKinlay, of Western Isles, 5 and 4.

Bud Donovan, of Winnipeg, defeated B. Chambers, of Beaconsfield, 5 and 2.

## MOSCOW FIRE KILLS THIRTY

Nineteen Fire Battalions Called Out to Quell Blaze at Fzonne Chemical Works

Moscow, May 21.—Thirty persons were reported to have lost their lives in a fire at the Fzonne Chemical Works here, the Soviet Union authorities revealed to-day.

The fire broke out yesterday, but the Soviet censorship was imposed and first details were only learned to-day.

The factory produced a quantity of other products.

Nineteen fire battalions were summoned to fight the blaze, which lasted for two hours. Twelve firemen were asphyxiated by fumes and nine others were seriously injured. Most of the deaths occurred in the collapse of one of the plant buildings.

**Moore And Black Gain Third Round In British Golf**

(Continued from Page 1)

With Innes, Black and Moore were the first Canadians to finish the difficult eighteen holes. Innes beat R. M. De Lloyd, Aberystwyth, by 3 and 1.

Gordon Taylor, Montreal, and Jack Nash, London, Ont., won belated first round struggles this afternoon, a day behind the rest of the crack field.

Nash eliminated J. S. T. Hawke, former Cambridge Blue, 4 and 3, and then, in one of the most exciting matches to date, Taylor vanquished R. H. Harman, Birkdale, a first-flight golfer, 1 up.

The weather was somewhat improved over the opening day.

The last of the ten Canadians, Taylor and Nash, were among the hold-over first-round contestants. Of the eight other first-rounders, only three passed the first test and three, including Ross Somerville, had failed.

Robert A. Stramahan, Toledo, Ohio, was estimated by D. Coates, Fairhaven, 2 up. Stramahan's first-round defeat reduced the United States survivors to nine. The Toledo player blew up on the hole.

Cyril Tolley had an easy victory in another belated first round match, knocking out William Tulloch of Cathlamet by 6 and 4.

Leonard Crawford and Red Hartley, two more home-bred stalwarts, followed Tolley into the second round. Hartley finished 1 up on Mayor F. Mitchell-Clarke, Coombs Hill, while Crawford was outting Othay Hayes, South Africa, by the same margin.

Nash's opponent was a Cambridge Blue, a nephew of Lord Hawke, the famous cricketer. Nash made the turn 3 up and held his margin at the fifteenth. There he laid his approach, dead to win the hole and the match.

**TAYLOR RALLIES**  
Taylor, showing masterly recovery, took a lead of 2 up over Hardman by the seventh hole. Hardman won the eighth and the ninth as his short game improved and when they reached the fourteenth the Canadian was 1 down.

Hardman needed three putts on the fifteenth and the match was squared. The sixteenth was halved, in four, and Taylor went 1 up at the seventeenth where the Briton topped his tee shot. The eighteenth was halved in four and the match was the Montreux.

Robert Sweeney, formerly of New York and now living in London, disposed of his first-round opponent, A. E. Walton, Blackpool, on the seventeenth green, 2 and 1.

**DARK HORSE BEATEN**  
J. R. Bryant, twenty-two-year-old "unknown," who defeated Jack McLean, the second besting favorite, was ushered out of the tournament in the second round by W. Fraser Lee, Stockport, on the nineteenth hole.

Donovan and Chambers, an American-born player long with the Beaconsfield Club, were all square most of the way but the Winnipeg youngster was better on the greens and made the turn 1 up. The match was squared at the eleventh, but then on Donovan showed the winning thirteenth and fifteenth, ending the match at the sixteenth.

Farley caused some surprise among the spectators by the ease with which he disposed of McKinlay, a Scottish international. The Canadian was out in 30, one over par, and made the turn 3 up. He was in brilliant form on the return journey, doing the first five holes in 4-4-3-4-4, even with par.

Billie Hamilton, the left-handed shotmaker who sprang a surprise yesterday and eliminated C. Ross Somerville, to-day accounted for Robert Harris, who won the championship ten years ago, by a score of 4 and 3.

**FIRST ROUND**  
Jack Nash, London, Ont., defeated J. S. T. Hawke, Bowdon, 4 and 3.

R. E. Borchgrave, Belgium, 5 and 3. D. Coates, Fairhaven, defeated R. A. Stramahan, Toledo, 2 up.

Leonard Crawford, England, defeated Othay Hayes, South Africa, 1 up.

Cyril Tolley defeated William Tulloch, Scotland, 6 and 4.

Red Hartley, England, defeated Major F. Mitchell-Clarke, England, 1 up.

Gordon Taylor, Montreal, defeated R. H. Harman, Birkdale, 1 up.

A. R. Walton, Blackpool, 2 and 1.

**SECOND ROUND**  
Dr. A. B. MacCallum, England, defeated Guy Hayes, North Andover, Mass., 2 and 1.

T. S. Tuller, Piping Rock, L.I., defeated Andrew Jamison, Scotland, 4 and 4.

R. Fraser Lee, England, defeated J. R. Bryant, England, 1 up, nineteenth.

L. Lyle, England, defeated John Forsman, New York, 5 and 4.

Edwin Innes, Montreal, defeated R. M. De Lloyd, Aberystwyth, 2 and 1.

Ken Black, Vancouver, defeated F. Lever, Fairbairn, 1 and 4.

Dick Moore, Vancouver, defeated A. S. Anderson, Hindhead, 3 and 1.

Phil Farley, of Toronto, defeated B. McKinlay, of Western Isles, 5 and 4.

Bud Donovan, of Winnipeg, defeated B. Chambers, of Beaconsfield, 5 and 2.

**PROF. V. DE VRIES DIES**  
Amsterdam, May 21 (Canadian Press from Havre).—Prof. Hugo de Vries, well-known botanist and winner in 1906 of the Darwin Medal, died to-day, aged eighty-seven.

## Lumber And Mines Production Gains

(Continued from Page 1)

For the four months the cut of poles and piles in lineal feet was up from 224,220 to 1,600,000, cordwood cutting was down from 51,580 to 39,000 cords and hewn ties were up from 253,250 to 323,370.

**STOCKS ON HAND**  
This activity has left the industry with large stocks on hand and the present market conditions are not regarded as promising. The Japanese threat to curb imports from Canada will affect the industry somewhat, but if any curbs are imposed, the U.K. market due to the new Soviet agreement.

At the same time, lumber and forestry men face with a serious foreign fire situation, according to present indications. If this forces a shutdown during the very hot months, production would be curtailed.

The mines department, basing estimates on the general improvement, expect production figures to show substantial gains. Volume of gold produced is considerably ahead of last year with the price about the same. The present Bridge River strike will affect this somewhat, but if an early settlement is reached, as now expected, the difference should not be great.

At present gains are held and continue, there is a possibility of production hitting the \$47,000,000 mark, which would be considerably higher than the mines department's beginning-of-the-year prediction of \$44,600,000. Last year's output was valued at \$32,000,000.

**HOLIDAY ON ARMS URGED**

(Continued from Page 1)

A similar 60 per cent, twelve-year settlement would be made with respect to German payments on our army of occupation and claims awards to the United States, and the plan also would call for cancellation of the \$10,000,000,000 of debt owing the United States among themselves.

Let the United States, Senator Tydings said, "propose to the nations to be assembled at Washington a new world policy—a live and let live policy, to dedicate it to the plain people of both hemispheres."

**BENNETT SAYS CREDIT RUINED**

(Continued from Page 1)

munist agitators. The federal government was later advised a strike might be anticipated in the relief camps and informed the provincial government of this.

The strike occurred and large numbers of men left the camps and went to Vancouver. They now refused to go back to the camps and demanded sustenance from the provincial and city authorities. The latter had not supplied this except temporarily, but had demanded work and wages by means of an inflation of the currency.

**McGEE WIRE OTTAWA**  
Vancouver, May 21.—If the Dominion government refuses to co-operate in settling the Vancouver relief camp strike situation trouble is inevitable, Mayor G. G. McGee stated to-day in a telegram to Prime Minister R. B. Bennett. "We cannot hold situation any further without resorting to force," he said.

The mayor's message was in reply to a telegram from the Prime Minister in which the latter disclaimed any federal responsibility for the strike in Vancouver. Mr. Bennett's message clearly set forth the position that men leaving camps became provincial responsibility.

For that reason, the Prime Minister declined to accept the suggestion made by Mr. McGee to Hon. G. R. Stirling, Minister of National Defence, that the Dominion open negotiations with the strikers.

**POINT GREY SUGGESTION**  
Neither does the Prime Minister make any reference to the mayor's proposal that the Point Grey relief camp here be equipped with extra tents to house the strikers until the situation can be settled.

Meanwhile, strikers prepared to consider the mayor's proposal that they return to camp and leave a committee in Vancouver to negotiate for changes in camp conditions and administrative matters.

**REQUESTED BY PROVINCE**  
Mr. Bennett's message to the mayor read in part:

"It was only at the request of the provinces that the Dominion undertook the care of single homeless men in camps as a measure of assistance and it is an indispensable condition of our co-operation that the men to be thus cared for should be nominated by the province subject to our selection of those eligible."

"No powers of compulsion have been exercised by or vested in the Dominion and, in consequence, the men are to leave our camps at any time. Having done so, their care devolves on the province and should they collect in a municipality, it is obviously the duty of that municipality to seek any assistance required from their provincial authorities because as you are well aware, a municipality is a creature of the province."

**NO NEGOTIATIONS**  
"For this reason, therefore, I am quite unable to accept your suggestion that the Dominion open negotiations with the strikers."

**NON-AGGRESSION PACTS**  
The Third Reich, Hitler declared, was ready in principle to conclude non-aggression pacts with all its neighbors and to compete these treaties with clauses isolating the belligerents and localizing the conflict.

He added Germany was ready to conclude an armistice which would complement the Treaty of Locarno.

**Ovation From Thousands**  
Der Fuehrer made his address to-day, long awaited as a definite statement of Germany's relationship to the rest of the world, after receiving an ovation from hundreds of thousands of cheering Germans peering the streets outside the Reichstag assembly.

"I have the duty to speak perfectly openly," Hitler told his visible and great invisible audience. "The German nation has the right to demand this from me and I am determined to obey this demand."

"If the Germany of to-day favors peace, it is not because of weakness or cowardice. National socialism (the Nazi Party) dogmatically declines to entertain the idea of national surrender. We give no instructions for the Germanization of non-German names. We decree every war for the subjugation of foreign people."

Then he directed his attention bluntly towards other nations, saying: "If the nations are so concerned about the numerous millions of their population, they can accomplish this through an increasing readiness to bring forth offspring and can, in a very few years, present their nation with more children of their own people than they could foreign peoples vanquished by war."

Again joining his oft-repeated contention that Germany desires peace, Hitler declared:

"Nazi Germany wants peace from a primitive realization that no war could be calculated to alleviate the essential needs of European distress but would tend, on the contrary, to increase it."

"Germany of to-day is immersed in the tremendous work of repairing the domestic damage of the last war. The objects of a factual nature will be

tion that the Dominion should negotiate with the men.

"As regards the present situation, let me remind you as I have repeatedly stated that our officials stand ready as ever to give immediate and sympathetic consideration to the cases of any individuals who apply for reinstatement provided their applications are submitted through the provincial authority and recommended by them and that we are willing to accept all applicants who are eligible and are not known agitators."

I note your anxiety as regards possible disturbances in Vancouver and, in this connection, you are no doubt aware that any requests for assistance must in the first instance be made through the province."

**SITUATION NOT GRASPED**  
In reply, Mayor McGee wired Mr. Bennett:

"Am afraid you do not grasp seriousness of situation in Vancouver. Neither this city nor province of British Columbia possesses finances to inaugurate needed public works that would alleviate destitution and unemployment in this province."

"Communist organizers and agitators taking advantage of justifiable dissatisfaction on part of citizens in every stratum of society and particularly objectionable feature of relief camp system have been able to organize substantial numbers who are openly flaunting constituted authority."

**ORDER MUST BE KEPT**  
"With no relief available, force will have to be resorted to to maintain order. Hoping that some assistance would come from federal government, we have by negotiation and refusal of authority prevented any serious clash between strikers, agitators, their sympathizers and police."

"We cannot hold situation any further without resorting to force. Am confident that if federal government would co-operate with provincial and municipal governments situation could be remedied and riots with their inevitable consequences could be avoided. . . . If you persist in attitude laid down in your telegram, trouble is inevitable and responsibility must rest on you."

**ARMAMENTS INCREASED**  
Hitler then made a long denunciation of the Versailles Treaty, stating:

"Not only did other nations not disarm, but, on the contrary, they completed and improved and raised their armaments extraordinarily."

"The speaker followed with a long, detailed analysis of the armaments of other European nations, saying:

"In other words, what was done not only ran counter to the intentions of President Wilson, but also, according to the opinion of the most prominent representatives of the other side, violated the obligations of the Versailles Treaty to which they had all signed their signatures."

"For this there was no excuse."

**PROPOSALS SUBMITTED**  
Then he turned again to Germany's relationship with peace, and said:

"It is said that Germany has submitted a constructive plan. I have submitted proposals not once but many times. My constructive plan was \$60,000,000 man armies been accepted, many horrors to-day would be less formidable and many burdens lighter."

"It is, however, almost purposeless to advance constructive plans if their rejection may be regarded as certain."

Continuing with the German side of armaments, he declared:

"It is said that Germany is threatened by no one and that therefore it is difficult to understand why Germany increases her armaments. Counting-question

#### PLANT CHANGES HANDS

Vancouver, Wash., May 21 (Associated Press)—Sale of the Vancouver plywood veneer plant, largest on the Pacific Coast, to Frost Snider of Tacoma and associates was announced

here yesterday evening by Plant Manager Dave Crockett. The sale price was withheld, but the plant's annual output is more than \$1,000,000 worth of plywood and the payroll \$40,000. Crockett revealed. Date for reopening the plant will be set later.

#### BRICKS FROM SLAG

London, May 21 (Canadian Press)—Collieries in County Durham have established a new industry—making bricks from the slag and other material accumulated at the pits during the last twenty years.

## Families Flee Before Floods

Move to Higher Ground As Rivers Threaten in South-western U.S.

Oklahoma City, May 21.—Hundreds of families in Oklahoma and Texas moved to higher ground to-day as flood crests rolled toward their low-land homes.

With the highest water expected here to-night, officials sponsored the removal of 300 families from the bottoms of the North Canadian River as a precaution against an increase in the death toll, now standing at thirteen in Texas, six in Oklahoma and one in Kansas.

The women in the families, most of whom are living in makeshift shacks, begged for emergency supplies for their stay in a tent city on higher ground. R. J. Benzel, Red Cross director, told the men to remain on their jobs. Provisions were made for safe storage of their heavy goods.

At Tulsa, more than a dozen families quit the lowlands of the Arkansas River, which was nearing flood stage. West of Dallas, sixteen families were forced out of their homes when a levee surrendered to the terrific surge of a flood, which inundated a thousand acres.

Fearful of the rising water, farmers in Austin, Waller, Fort Bend and Brazoria counties in Texas left their homes along the Brazos River, less than two feet below flood stage.

After Oklahoma City police, firemen, county, Red Cross and national guard officers pooled their forces to sidestep a repetition of the sudden disaster caused by the North Canadian's outbreak of 1922, to-day's removal was dispatched with military precision. Trucks, blankets and cots were sent from Fort Sill.

## Study New Trade Basis With Japan

Ottawa Officials Seek to Level Off Yen For Canada

Ottawa, May 21.—Trade relations between Canada and Japan are engaging the attention of an inter-departmental committee which is trying to work out a fair and satisfactory adjustment. Prime Minister R. B. Bennett gave the House of Commons the information yesterday when answering a question from Liberal Leader Mackenzie King.

Mr. Bennett said Canada's law respecting depreciated currency was of long standing and applied to Japanese imports because of the depreciation of the yen. It was now stated the cost of living in Japan has risen and that the currency dumping provisions were now operating unfairly.

The committee was seeking information from Japan and from League of Nations economic authorities as to the extent of this rise and a sincere effort was being made to find a satisfactory adjustment which would be fair both to Canadian enterprise and to Japan.

## Must Consider Trade Economics

Canadian Press from Havas London, May 21.—However much the government may want to develop Empire trade, economic measures must take into consideration world-wide trade conditions. Rt. Hon. J. H. Thomas, Secretary of State for the Dominions, declared at a luncheon given by the British Empire yesterday.

He said that while Australian and New Zealand farmers were undergoing hardships, farmers of the British Isles were encountering similar obstacles.

## MOSCOW SEES MASS FUNERAL

Remains of Forty-nine Persons Killed in Airplane Crash Laid to Rest

Moscow, May 21.—The people of Moscow, in one of their greatest demonstrations of public grief, trudged to the New Virgin's Monastery yesterday and deposited the remains of the forty-nine victims of the airplane Maxim Gorky disaster in crypts and graves.

While a band played funeral dirges and relatives stood in tears, forty-two urns and seven red caskets were borne sadly into the quiet old cemetery adjoining the monastery where Peter the Great is said to have executed 300 guardsmen more than two centuries ago.

The remains of Pilot Nikolai Blagov, who caused the world's worst airplane disaster by crashing into the Gorky while stunning in violation of orders, found a place of honor in burial with the others.

Although he had been held up to the public as an "air hoodlum," his ashes lay in state with the others when Joseph Stalin, dictator of Soviet Russia, stood his turn with as guard of honor in the Hall of Columns of the Labor Union House. Meanwhile the newspaper Pravda quoted a declaration of Joseph Stalin favoring "armed might" in insisting that the disaster must not dishearten Bolsheviks in the development of air strength.

"Our enemies day and night are preparing for war," it said, and "the stronger our Red army is the farther off will be this war."

## Woman Drowned Accidentally

Campbell River, May 21.—An inquest on the death of Mrs. Katherine Amelia Vaughan indicated she was accidentally drowned near Robert Hanna's camp at Chasnet Bay. Mrs. Vaughan was roving for pleasure and was out of sight of the camp when the accident occurred. Her boat was found empty and when a search was made her body was found in shallow water.

#### DIES IN ONTARIO

Caledonia, Ont., May 21 (Canadian Press)—Frederick Earl, fifty-three, a native of Caledonia, but a resident of western Canada for thirty years, died here to-day. He had returned recently from Edmonton, where he had suffered a stroke. One brother and a sister survive him.

## REVOLT NIPPED IN PORTUGAL

Several Prominent Political Figures Are Under Arrest

Lisbon, Portugal, May 21.—Several prominent political figures were understood to-day to be under arrest after a short-lived uprising described as an attempted Communist revolt.

The names of the men, reported held on charges of Communist activity, were not disclosed. The government promptly suppressed the disorders yesterday in a move believed prompted by a desire to take precautions during military week, which is being celebrated in the interest of national defence.

It was reported the government believed Communist agitators had been working in the lower ranks of the navy and feared the big naval parade scheduled for Thursday might be made the occasion for a revolutionary coup.

Acting on information that leftists were planning an outbreak, a large detachment of troops and police was dispatched to surround strategic points and round up suspects. Soldiers armed with machine guns stood guard over the Bank of Portugal and all government buildings.

## WHEAT TALKS ARE RESUMED

Nations' Delegates Gather in London to Seek Export Agreement

London, May 21.—Delegates to the International Wheat Conference opening to-morrow expressed the opinion to-day Argentina may find her last opportunity in the current negotiations to enter a wheat export restriction agreement on equal terms. They warned that Canada and the United States, now that the period of ruff given the glutted market by the 1934 drought has passed, will never again allow their stocks to accumulate to the extent they did in 1933.

A trade war of underselling was forecast in some quarters in the event Argentina declines to subscribe to some plan acceptable to the other conference.

The conference will attempt to salvage whatever is possible from the wreckage of the 1933 pact, which will expire August 1. United States Ambassador Robert W. Bingham will preside over the discussions, for which delegates from fifteen countries have assembled.

## SPARROWS ARE SIAMESE TWINS

St. Paul, Minn., May 21.—St. Paul has its Siamese twins. The twins are sparrows, less than a week old. Found lying on a sidewalk, one was injured, apparently by a fall from their nest. The other was unharmed and sprightly.

The birds are joined together at the lower parts of their bodies, a leg of each being united to the other by flesh. In other respects the sparrows are normal.

## DISPUTES IN 1934 IN BRITAIN FEW

London, May 21.—Last year was the most peaceful in Britain so far as industrial disputes are concerned for the last half century, according to reports available to-day.

A total of 960,000 working days were lost as against more than 182,000,000 in 1926, the year of the great coal and general strikes.

Actual strikes totaled 471, 28 per cent of which resulted in favor of the workers. More than half the disputes were in connection with mining and quarrying.

So far this year the figures show an upward tendency, with well over 500,000 working days already lost.

## R. SICKERT QUILTS ROYAL ACADEMY

London, May 21.—Richard Sickert, noted English painter and etcher, resigned from the Royal Academy yesterday in protest against the Academy's failure to assist Jacob Epstein, sculptor, in preventing removal of some of Epstein's statues from a commercial building in the Strand.

## Knights of Garter To Meet June 17

London, May 21.—For the first time in twenty-two years, members of the most exclusive order in the world are scheduled to hold its meeting.

The knights of the "Most Noble Order of the Garter" will meet at Windsor Castle, June 17. As has always been the custom since the order was founded by King Edward III in 1348, the meeting will be presided over by the Prince of Wales.

#### MURDER AND SUICIDE

Rochester, N.Y., May 21 (Associated Press)—Arthur C. Dutcher, fifty-five, prominent Rochester attorney, was murdered in his downtown office yesterday by a disgruntled Venezuelan negro client who afterward also took his own life with a .32-calibre pistol. Dutcher's assailant, whose body was found lying within a few feet of his victim's, was Cereforo L. A. Ramos, forty-one. The pistol was still grasped in the hands. Both were shot in the head.

#### U.S. RAILROAD INVESTIGATION

Washington, May 21 (Associated Press)—The United States Senate yesterday ordered an investigation of railroad financing after Chairman Burton Wheeler of the Interstate commerce committee had declared conditions in some of the systems were "scandalous."

## Longer Army Term For the Belgians

Canadian Press from Havas Brussels, May 21.—The government of Belgium will demand eighteen-month compulsory military service instead of the present one-year term. Albert Devese, Defence Minister, revealed in a speech at Mons yesterday evening. Under the present system, he said, there were long periods when the army was composed chiefly of raw recruits, and the country had been alarmed by Germany's restoration of conscription. He said also the government was pushing completion of border defences as rapidly as possible.

#### WILL BE NAMED JOSEPH

Warsaw, May 21 (Associated Press)—Jewish boys born this month in Rovno, Poland, will be named Joseph, after the late Marshal Pilsudski, the Rabinute of Rovno decided yesterday. The city has a Jewish population of 50,000.

## THE POLISH "CORRIDOR"

THERE IS A REPORT FROM LONDON suggesting that Reichsfuehrer Hitler is about to demand of Poland that she cede to Germany the long-disputed Polish "corridor." This would mean that Poland would be asked to give up her sole outlet to the sea, with its port of Gdynia, and become a land-locked country.

It is expected that Chancellor Hitler will include this demand in his long-awaited statement scheduled for delivery to-day. Nor will it cause much surprise. He takes the stand, and it is not unnatural, that the Reich should not be divided as the "corridor" divides it merely to give Poland an outlet to the sea. But what Poland would have to say to such a demand is another question. The fact that it is an issue looming once again injects a new element which may produce more unrest in Europe.

The Allied Ambassadors' Conference of March 14, 1923, decided to recognize the eastern frontier of Poland, as established by the Treaty of Riga between Russia and Poland; also that the whole of East Galicia, which Poland had been allowed to occupy for four years, should pass to Polish sovereignty; and that Poland be confirmed in possession of Vilna, the old capital of Lithuania. Access to the free city of Danzig, formerly of the German Empire, as a port on the Baltic Sea, was granted in the Treaty of Versailles, and in 1922 Danzig was brought within the Polish customs frontier.

Poland has within ten years developed Gdynia, just west of Danzig in the "corridor," from a small fishing village to a great, well-equipped, modern seaport of 60,000 inhabitants, with a harbor that can accommodate fifty steamers, a seaport nine miles long, traveling cranes, railway tracks and warehouses. A free zone was set up in January, 1934.

It is not difficult to imagine, with all this development which has taken place under Polish auspices, the sort of reception which would be given to a demand from Reichsfuehrer Hitler that the "corridor" be ceded to Germany.

## THE CAMPS AND CONVOCATION HALL

HERE ARE TWO ITEMS PRINTED close to one another in a recent issue of The Edmonton Journal:

Over 270 single unemployed men here will be moved out of Edmonton next week to provincial or departmental camps.

Of this number, at least 300 will be sent to military camps in various parts of the province while seventy others will go to provincial camps.

The Edmonton strike has not affected some 300 heads of families here who are in the category of provincial relief cases. These married men have been engaged at work on provincial property, including the improvement of the river bank on the east side of the high level bridge, and park betterments.

Convocation Hall, the day one gets a degree, can be a happy place. A relief camp is always a place to steer clear of; at best it is a final refuge. An older generation, if anyone did it, was responsible for the state of affairs that makes relief camps necessary. We are told that everything is going along quite well, that trade is improving, that figures prove it, and that in time we shall be out of our difficulties. The camps continue, however.

## TOURING IN CANADA

TO MAKE THE MOVEMENT OF BONA fide tourists crossing the border into Canada just as free of "red tape" and restriction as possible, another important change in tourists' automobile regulations, which will advantageously affect those tourists who enter Canada for a protracted stay, has been made.

Heretofore, tourists arriving by automobile whose proposed visits extended over a period of ninety days and up to six months were required to obtain the bond of a guarantee company at the frontier port of arrival, and others who had first planned to stay sixty or ninety days, and subsequently decided to remain longer, were required to visit the nearest collector of customs and furnish a bond in order to obtain an extension up to six months.

The new regulations provide that neither bond nor deposit will be required hereafter in respect of tourists' automobiles, without regard to the duration of stay, up to a period of six months. The provision eliminates delay at the frontier in obtaining the necessary bond, and relieves the tourist of the expense of procuring security.

This change will also prove of assistance to those tourists who obtain a sixty or ninety-day permit on their first arrival, and who later on decide to extend their stay. Under the old regulations they were often required to drive many miles to the nearest customs collector to obtain the necessary extension, and sometimes found difficulty in securing proper bonding facilities, due to their location.

## LIKES TO BE "FANNED"

A POPULAR RADIO PERFORMER divulges the fact that he cares to see only those letters in the day's gnat that give him a "fanning."

Praiseful missives—far more numerous we are led to believe—are read by his secretary and quietly find their way into the office waste basket.

Such an attitude, says The Christian Science Monitor, is understandable, and doubtless partly wise. Something may be said for the general claim that "every knock is a boost." We learn from our failures. For many years, various business concerns have admonished their patrons, "If you like our work, tell others; if not, tell us." Give us the criticism, is the idea, commendation will take care of itself.

But there is a discipline of praise that, for the vast majority, is more effective. Nothing stimulates effort like a little honest appreciation. The Monitor contends. As Dr. Samuel Johnson used to say: "The applause of a single human being is of great consequence."

Popular entertainers may find surfeit in the honeyed words of cheer that assail them. It is not so with the rank and file of humanity. One trouble with fan mail is in its inequitable distribution. Its recipients are too few.

## THOSE NEGOTIATIONS

THERE SEEMS TO BE A GOOD DEAL of secrecy surrounding the negotiations going on between this country and the United States in connection with a new trade treaty. Now that Premier Bennett is back in harness the country ought to be told something about them. It is vital to the economic future of the Dominion that her business with her neighbor on the south be developed. It has dropped to a shadow of its former volume and other markets farther afield have only partly made up for the loss.

If there is any genuine conviction at Ottawa and Washington that the high tariff walls along the boundary are economic lunacy, then useful results ought to come from the negotiations now going on. The past tariff records of the two governments concerned are, of course, not particularly encouraging, but it sometimes happens in politics that mistakes are admitted. Inevitably there will be howls of protest from every interest whose protection it is proposed to reduce. The success of the negotiations will be in inverse ratio to the influence of these objectors.

## MEASURE OF PROGRESS

ONE GOOD BAROMETER OF GENERAL business conditions is the amount of freight traffic carried on the Great Lakes; and it is encouraging to note that figures compiled this year at the Sault Ste. Marie locks, connecting Lake Superior with the lower lakes, indicate a strong pickup in such traffic.

The locks opened in April. By the end of the month, some 888,000 tons of freight had passed through them—a tremendous gain over last year, which is only partly accounted for by the fact that the locks opened thirteen days earlier this year than in 1934.

The freight that moves by the Soo is mostly bulk freight—iron ore, coal, wheat, and flour; the kind of freight the movement of which in huge quantities bespeaks a general business revival.

Those figures for April indicate pretty clearly that some kind of revival actually is taking place.

## THE UNAFRAID ROOSEVELT

THERE IS ONE THING ABOUT President Roosevelt—he is unafraid. He decided yesterday that he would go in person before Congress to urge that it sustain his veto of the Veterans' Veto Bill. As the dispatch from Washington said: "His plan to make the unprecedented personal veto appeal was outlined to reporters at his regular press conference a few minutes after the inflationary Patman Bill to pay the bonus with \$2,200,000,000 in new currency had reached the White House."

Congressional leaders immediately set about arranging for the joint session of the House and Senate before which the President will appear, probably Monday. A quick thumbing of Washington precedents by veteran attaches of the White House could find no record of any other President having gone before Congress to urge that it sustain him in a veto. It is the "humbug" of Washington precedents which throws into relief this Franklin-Delano-Roosevelt flair for doing things which have not been done before under a constitution which lacks flexibility.

## WHAT OTHER PAPERS SAY

OUR "REFINED BARBARISM"  
The Hamilton Herald

Those who disapprove of capital punishment will be glad to see an article which has just appeared in The Sunday Referee, which protests against the recent hanging in Montreal of a woman and two men. "Canada," the English paper reminds its readers, "is not Germany."

It is difficult to understand why Canada has been singled out for this attack. Whatever one may think of capital punishment, one must admit that women have been hanged in Britain quite as often as in Canada. Indeed, recently a certain Mrs. Major, a very ordinary, frightened, miserable little person who poisoned her husband in a fit of uncontrollable jealousy, was hanged at Hull, in England, despite the existence of a huge petition protesting against the carrying out of the sentence.

Why throw stones at us?

CANARIES AS ARMAMENT  
The New York Times

Sardines as munitions of war may be a little hard to visualize, and so are canary birds as a source of war profits.

Yet the facts are there. Germany is reported to be buying woolen cloth in Roubaix, France, cotton goods in Manchester, England, horses in Sweden, and great quantities of sardines in Lisbon, Portugal. It is true that Lisbon says the sardines are not for German war ration but only normal purchases delayed from last year.

As for canaries, there have been pictures of them in the newspapers. They are part of the German army manœuvre. The canaries are used to detect the presence of poison gas to which the little creatures are peculiarly sensitive; they were thus employed in the World War.

A canary in a cage is now regular motor cycle equipment in the German Army. In case of hostilities the breeder of the little feathered songsters would be an armament maker and a war profiteer.

## A THOUGHT

I will both lay me down in peace, and sleep; for thou, Lord, only makest me dwell in safety.—Psalms iv & v.

Peace is the evening star of the soul, as virtue is its sun; and the two are never far apart.—Cotton.

## Loose Ends

Mr. Wells finds out something about us—We don't know where we're going but may be on our way—Some funny things happen in daily earnest—and some strangers are suitably welcomed here.

By BRUCE HUTCHISON

## DULL STUFF

THE TIRELESS Mr. H. G. Wells has been to Washington again and has set down his observations of the American scene in a series of articles for Collier's Magazine. His second article, it seems to me, is extremely valuable to Canadians, but few Canadians will see its value.

He says, in brief, that the United States, struggling to recover economically, doesn't know where it is going and doesn't know where it wants to go. Its rulers have no clear idea what they are trying to build—a new system of small businesses in which the mammoth trusts and corporations would be crushed; a system of gigantic business organizations rigidly controlled by the state, in which every man would be merely a cog but protected by strong labor law; a socialized economy; or just the same old system which collapsed in 1929.

Mr. Roosevelt, says Mr. Wells, doesn't know. The people don't know. Their recovery plans, therefore, lack cohesion, are often working in opposite directions towards different objectives, because no one can say what the goal is. There is no agreement as to the kind of system they are trying to build. This, he thinks, is the real cause of the obvious confusion over the NRA, the agricultural administration and the other programs which, often good in themselves, don't mesh into any whole.

## SAME HERE

MR. WELLS'S observations are good for Canada because precisely the same situation prevails here. The government of Canada doesn't know what kind of a system of life it wants to develop here. The Parliament of Canada doesn't know. The political parties don't know. The people don't know. About the only ones who have a clear idea of what they want are the communists and there are only a few of them and their idea is disagreeable to most of us.

The result is complete and utter confusion, a babel of tongues, a chaos of party labels. You have such phenomena as Mr. Stevens trying to maintain private capitalism while interfering with the entire working machinery of that system.

You have the government moving to raise production costs and prices without any move to enable the consumers to pay them.

You have a tariff system which inevitably develops an economy of giant trusts and monopolies, and now the same Parliament which created them saying that there must be no trusts and monopolies.

You have other fellows in other parties insisting that they can just reduce the Canadian tariff a bit and we shall be waited into opulence, when a great part of the country is dependent upon the tariff for its employment in artificial, tariff-protected industries.

You have the G.O.P. going to socialize everything but agriculture, the basic industry of the country, which must be controlled first of all in any planned economy.

You have fellows in the Liberal Party like Mr. McGeer advocating a monetary and currency system which involves the most rigid kind of economic controls, price-fixing and regulation of foreign trade—the very opposite of the official Liberal policy.

Nobody knows what kind of a system we are trying to build, whether it is to be a system of self-containment with drastic internal controls through McGeerism, Stevensism, socialism or what-not; whether it is to be a system dependent on free foreign trade and with as little control as possible; whether it is to be a system of big corporations or small.

businessmen and individual farmers; whether it is to be a state controlled in Ottawa for efficient regulation or a loosely-knit confederacy of provinces with government localized and spread thin; whether we are really trying to develop a new system in Canada at all, or just trying to revive the old system, the old fight between agrarian west and manufacturing east, the old jolly chaos with bursts of prosperity and years of famine.

Nobody knows. No man can tell you. No leader at present in view has said what he is really working for, if he knows himself. Until we make up our minds about this question; until we decide where we are going, we won't go far, because we shall all be going in opposite directions.

## HUMOR

IN THE LAST FEW DAYS the following events have occurred in Germany:

The German Supreme Court ruled that a wife's dislike of Mr. Hitler was valid grounds for her husband's demand for a divorce and he got it.

Nazi officials seized and beat up some Catholic youths on their return from a visit to Rome because they had worn brown shirts while genuflecting before the Pope—a curious sort of Nazi lese-majesty. Only before one monarch, the former Austrian house painter, must a German wear a brown shirt.

Plus Degenhart, an old-clothesman at Memmingen, received so many brown shirts from disgruntled former Nazis who have been purged out of the party, that he had to hold an auction to get rid of them. He was promptly jailed for "dishonoring the National Socialist Party uniform."

The German lawyers who are drafting the new penal code, announced that they would institute a new punishment called "eternity death," by which the condemned is made a permanent outcast whom no one may have anything to do with. Since the old Romans had a cheerful custom of driving offenders out of the tribe to starve or be eaten by wild animals, the lawyers said they were merely reviving a good old German custom.

A lot of students might say that the German people to-day are the victim of a peculiarly aggravated case of mass lunacy, which has happened to other nations before. Perhaps it would be more true to say, and more serious, that they have completely lost their sense of humor.

That is the saving grace of the English-speaking races. Whenever they get to the point of real madness they laugh at themselves and they then laugh at themselves and they are saved. But in Germany they take themselves seriously, a fatal error.

If any potentate in the English-speaking nations were to announce that personal dislike for him was ground for divorce, no one would get angry. Everybody would just laugh the poor fellow into oblivion. A fellow who is so utterly stupid, and yet so utterly humorous, could never be a menace to us because we could never keep our faces straight in front of him.

What the German people need is a good laugh, but I suppose we wouldn't feel so jolly if we had been at the other end of the crazy Treaty of Versailles. We might have lost our sense of humor, too. Yet I doubt that in our darkest moments, we could fail to appreciate Mr. Hitler as the most gifted comedian of our time.

## NEWCOMERS

SOCIAL NOTE: Six new residents were welcomed to the community of the Lily pond to-day and received with fitting ceremony. Five of the strangers, dressed entirely in red, and appearing somewhat embarrassed, were dumped into the pond out of a goldfish bowl brought from the city, while the little girl from next door, dressed in a blue and white dress, the Twenty-third Psalm, which she had recently learned at school, reason-

any rate, is it not a sweet song sympathetically diverse from a psalm of victory?

"Is not this brilliant, roof-lifting effort more of war chant, the entry of horse, foot and a siege train into a captured city?"

To conclude, for Mr. Benjamin's interpretation, recalls the famous comment on the charge of the light brigade at Balaclava: "Magnificent, but not war."

To paraphrase Mr. Benjamin's effort was, in my opinion, "Magnificent, but not a ballad."

TIMID SOUL

BEACON HILL ZOO

To the Editor:—All animal lovers will warmly approve Mr. Bruce Hutchison's valuation of the last of the Beacon Hill buffaloes. A zoo, even under the best conditions, is only a prison for most of its unfortunate inhabitants. The wretched bear at Beacon Hill is condemned to a life of solitary confinement. Surely the world grows more callous as the years pass by. In Nero's day captive lions enjoyed occasional feline sport when the Christians were thrown to them. Since then the Christians have reformed themselves on the king of beasts and his subjects. I wish we could hope that before the arrival of the New Jerusalem the surviving lions would have one more spree, that some at least of the callous brutes who now profit in so many ways by cruelty to animals, and all the moral cowards who make no protest might be thrown to the beasts in the ancient Roman manner.

R. B. I. Victoria, May 17.

RE "FAUST" PERFORMANCE BY VICTORIA PHILHARMONIC

To the Editor:—Victorians will have an unusual opportunity on Tuesday night, when the Opera House presents the performance of the immortal opera, Faust, by the Victoria Philharmonic. The voices and principals have been rehearsing this most beautiful and perhaps most popular of all the operas, under the able leadership of Basil Horsfall, who has spent more than thirty years of his life as a musical director and conductor of some of the world's most famous opera companies.

The opera is to be performed in its entirety, with all the well-known characters represented in the different roles. The welcome appearance of a well-trained, powerful orchestra to accompany the opera is of outstanding interest to our city, and it was only to bear the orchestra, patrons will evince a sense of pride and joy in what is being attempted by the Victoria Philharmonic.

Knowing the tremendous amount of work which has been done by Mr. Horsfall and his group, to ensure only a first-class production, irrespective of the cost, the very respectfully commends to your readers that they will show their hearty support and enthusiasm of the earnest and truly artistic work which is being attempted by the Victoria Philharmonic.

It is being attempted by the Victoria Philharmonic, by crowding the Crystal Ballroom Tuesday evening next to hear what promises to be one of the greatest offerings ever attempted in the history of our city.

HARRY LANGLEY.

APPRECIATION

To the Editor:—I read with much pleasure the article in the Victoria Daily Times, dated May 14, 1935, regarding the performance of the opera, Faust, by the Victoria Philharmonic.

## SIDE GLANCES By George Clark

"Now be a little gentleman and let Mary Ann have the nice birthday present you brought home."

## STAMPS

To the Editor:—Will you kindly allow me to make an appeal for common, ordinary used postage stamps? Miss Minnie Brodie, 108 Harbortown Road, London, N. 19, England, supports beds in London hospitals by the sale of stamps. She is grateful for same.

How about those that are used on the envelopes of chain letters?

M. M. B.

THANKS

To the Editor:—I am instructed to publicly acknowledge with thanks from the Women's League of Social Justice the sum of \$25.00 received from the tag day, May 11, less the expenses entailed for tags, etc.

We also wish to thank the public for so generously contributing on this tag day and also for entertaining so many of the camp boys in their homes on Mother's Day.

With such wonderful backing from the public we are confident that we shall be able to win our demands and also secure the abolition of these very unnecessary camps.

F. GOODMAN,  
Secretary Relief Camp Workers' Committee of Victoria.

"MAGNIFICENT, BUT—"

To the Editor:—On Tuesday afternoon, I was one of the large audience at Metropolitan Institute which enjoyed Mr. Arthur Benjamin's brilliant presentation of Chopin's famous "Ballad."

Doubtless you also enjoyed the effort and the verbal picture of the three themes woven into the ballad. Mr. Benjamin's reference to Aubrey Horsfall's picture of the Lady on Horseback was constantly in my mind throughout his rendition.

But the horse grew into a mighty trumpet and I seemed to see the dainty, goose-necked lady transfigured into a heavy steel-clad, shouting warrior, under the magic of Mr. Benjamin's playing.

I could not help asking myself (in all humbleness) what to a musical ignoramus:

"Is not a ballad a love-song?"

To the Editor:—I read with much pleasure the article in the Victoria Daily Times, dated May 14, 1935, regarding the performance of the opera, Faust, by the Victoria Philharmonic.

It is being attempted by the Victoria Philharmonic, by crowding the Crystal Ballroom Tuesday evening next to hear what promises to be one of the greatest offerings ever attempted in the history of our city.

HARRY LANGLEY.

# Great Choice for Holiday Shoppers

## Sports Dresses

### NURSES PASS RE-EXAMS

Miss M. M. Smith of Jubilee Only Local Nurse in First Class

Miss Margaret Muriel Smith, member of the 1935 graduating class of the Royal Jubilee Hospital, was the only Victoria nurse to get a first-class pass, with 80 per cent marks or over, in the recent examinations for the title and certificate of registered nurse in British Columbia. The complete results follow in order of merit:

**FIRST CLASS (80% AND OVER)**  
A. LaBounty, St. Paul's Hospital, Vancouver, and M. V. Pontifex, Royal Columbian Hospital, New Westminster (equal); C. G. Vancouver General Hospital; J. T. Potts, General Hospital, Prince Rupert; M. C. Richmond, I. K. Prior, W. L. Grantham, H. E. Medford, M. T. Thompson; M. M. Smith, Royal Jubilee Hospital, and A. M. Thomson (equal); W. D. Gates and M. C. Gill (equal).

**SECOND CLASS (65 TO 80%)**  
E. M. Hill-Tout and G. H. Pearson (equal); J. W. Grant, J. W. Thompson and M. L. Sandberg (equal); Sister Jean Viateur and A. M. Clement (equal); E. Edwards and E. H. Kiler (equal); J. M. Crosby and M. L. Spear (equal); J. M. Clark, R. M. Bailey and G. M. del. Harwood (equal); N. L. Kinaman and A. G. McRae (equal); V. G. Duncan and E. G. Munro (equal); M. J. Purkes, E. J. Langley and R. C. Wilkinson (equal); A. P. Reid, E. M. Hood and S. M. Ross (equal); G. M. Cochran and D. A. White (equal); E. B. Daniel and M. J. Murray (equal); E. M. Rennie and M. M. Smedley (equal); V. M. Calver and E. J. Peterson (equal); V. C. Lynes and J. M. Full (equal); E. V. Willis, G. E. Hetherington and M. Palmer (equal); M. A. Coward and E. I. Skymne (equal); M. Constable and P. G. Wright (equal); M. W. Cullinane and E. D. Lake (equal); M. F. Thompson, N. E. Ogle and E. H. Phillips (equal); H. A. L. Jack, G. M. Lawrence and Mrs. M. E. G. Shaw (equal); E. McDonald, J. Croome, J. P. Carter and M. Margie (equal); W. S. Caldwell, J. K. Hodgson, H. Bowden and H. M. Knight (equal); C. Musallam, M. A. McCutcheon and V. Y. Paul (equal); A. D. Fulton, M. J. McCulloch, B. B. Bonnalie, M. O. Aitken, W. E. Fensom, W. M. Eby, V. Treason and M. E. Plunkett (equal); N. S. Deane, M. S. Patterson (equal); M. M. Collings, M. P. Maharg and V. E. Simonsen (equal); E. E. Bland, E. P. Owen, A. G. Neil and K. E. Wale (equal); C. H. Hall, C. B. Cook, M. C. Davies (equal); M. E. Robson, M. M. Smith, Merritt, B. C.; R. Taylor, P. M. M. Matson.

Passed to 65 per cent—B. P. Gould; passed supplemental, B. C.; passed with one supplemental to write, M. E. Tossell.

### CHAPTER MAKES GENEROUS GIFTS

Several generous donations were made by the Navy League Chapter I.O.D.E. at its monthly meeting held yesterday evening in the headquarters, with Mrs. T. A. Johnston, the retiring president, presiding.

The sum of \$10 was voted towards the Royal Oak Women's Institute to purchase X-ray equipment for the Queen Alexandra Solarium, \$25 towards the Connaught Seamen's Institute; a prize book for British history will be presented to the Boys' Central School and the complete Junior Encyclopedia Britannica will be added to the reference library of the same school.

Plans were made for the annual garden at the home of Mrs. R. Shank, the date to be announced later, and also for a rummage sale to be held on Johnson Street, next Sholto's, on Saturday morning, May 25.

### Strawberry Vale

An enjoyable party was held in the Colquitz Institute Hall, Wilkinson Road, Friday evening, when members of the Colquitz Institute entertained the Fifth North Colquitz Company of the Girl Guides at their third annual birthday banquet. The entertainment was under the co-sponsorship of Mrs. George Austin.

Guests included Mrs. Midgley, district commissioner, North district; Miss Weyling, lieutenant of the Colquitz company; Mrs. Lachar, leader of Colquitz Brownies; Miss Stoken, captain of the Colquitz company; Miss Joyce Greenwood, lieutenant, Colquitz company; and Mrs. Velma Carlson, lieutenant, Colquitz company. Other guests included the members of the Colquitz company of Girl Guides and the Colquitz pack of Brownies.

Senior Guides were presented with third service badge; The Misses Elaine Humphries, Maureen Evans, Phyllis Sheffield, Ruby Swithers, Betty Austin and Dorothy Austin.

Supper was served by the institute committee. Mrs. Midgley gave an interesting talk, her theme being "The Interest of the Guides." The entertainment was brought to close with the singing of the Girls' Vesper, "Taps."

Under the direction of Mrs. Lachar and Miss Joyce Greenwood, a new pack of Brownies in the Strawberry Vale district has been formed. The girls include the Misses Patricia Wallis, Tannis Martin, Muriel Simpson, Anna Fell, Marjorie Mudie, Lydia Martin, Louise Chandler, Victoria Rodman, Norma Smythe, Jean Boon, Pamela Mudie, Muriel Simpson, Elizabeth Lachar, Molly Murphy and Evelyn Burrow.

Mrs. Harrington and her son, Leonholme Road, have taken up residence on Carey Road.

Mrs. H. Bendickson and her small daughter, Brenda, Vancouver, is visiting with her sister, Miss White, Burnside Road, and Mrs. T. Williamson, Wilkinson Road.

Mrs. and Mrs. Albert Allison and their son, Morris Allison, Old West Saanich Road, have taken up residence on Leoholme Road.

Mrs. H. Bendickson and her small daughter, Brenda, Vancouver, is visiting with her sister, Miss White, Burnside Road, and Mrs. T. Williamson, Wilkinson Road.

### PRIZE-WINNING PARTY TABLE

This amusing table, intended for a children's party, and arranged by Mrs. Charles E. Wilson of Uplands, was for her handsome silver bowl donated by Mrs. Victor Melbourne Raynor, and the late Dr. Melbourne Raynor, will be graduated from Queen's University, Kingston, to-morrow. He will arrive here next week, and after a short holiday with his mother will proceed to Vancouver, where he will be an interne in the Vancouver General Hospital.

Norfolk House Old Girls' Association has been engaged to provide the music. Tickets for the affair are obtainable from the president, Mrs. R. F. Denzil, 2320, or from the members of the committee, Miss Amy Adamson, Miss Margaret Izard, Miss Prudence Terburgh, Miss Sylvia MacKenzie or Miss Joyce Marriott.

Mrs. E. D. Clarke of Vancouver, who has been visiting in England for the last nine months, arrived in Victoria yesterday from Seattle, having traveled by the air route to Seattle from New York. She left this afternoon for her home on the mainland and while here was the guest of her brother-in-law and sister, Mr. and Mrs. J. R. McIlreath, Richardson Street, with whom her daughter, Little Valerie Clarke, has been staying during her mother's absence in England.

Their many friends joined in congratulating her on her return to Victoria. Mrs. E. D. Clarke, D.D., and Mrs. McLaren, D.D., and Mrs. McLaren, D.D., of Vancouver, who yesterday celebrated the diamond anniversary of their wedding at their home in the mainland, were also present.

Mrs. and Mrs. Harry Beach returned to Victoria on Sunday after spending the last two years in England, and are guests of Mrs. Beach's parents, Mr. and Mrs. J. Patterson, 1605 Belcher Avenue.

Mrs. M. S. Senior of Esquimalt will sail to-morrow evening on the Niagara for Victoria, Australia, where she will visit her sister, Mrs. C. Phillips, Miss Rita Senior will accompany her mother as far as Honolulu.

Mr. and Mrs. Harry Adakin of Toronto have arrived in Victoria to spend several weeks and are the guests of Mr. and Mrs. D. E. Campbell, Linden Avenue. Mrs. Adakin, well-known soprano, who sang for several seasons at the Empress Hotel.

Mrs. Donald MacInnes of Montreal, who has been attending the Junior League convention in San Francisco and who visited in Victoria with Miss Peggy Knoll, Linden Avenue, on Sunday, while en route home, left Victoria on Sunday evening for the mainland on her way to her home in Quebec.

Miss Margaret Burris of Dartmouth, Nova Scotia, arrived in Vancouver today to spend the last few weeks at the home of Miss Grace Burris, 1376 West Fifteenth, Vancouver. She is the daughter of Dr. M. G. Burris of Dartmouth, who has many friends here.

In compliment to Miss Mary Isdale of Vancouver and the pupil her dancing school who came over to Victoria to participate in the Musical Festival, Mrs. Charles Ferguson and Miss Nan Ferguson entertained informally on Sunday at their cottage at Cordova Bay at a picnic luncheon party.

Mrs. Charles Hartley of St. Charles Street, accompanied by her daughter, Miss Ann Hartley, left yesterday for Vancouver en route for Quebec. They will sail from the eastern port on Wednesday, May 29, for England, and will make their future home in London.

Rev. Dr. W. G. Wilson of First United Church was the guest preacher at the West Point Grey United Church, Vancouver, on Sunday, May 19, when the son of Rev. and Mrs. Bruce G. Gray was baptized, receiving the names Donald Bruce James. Mr. and Mrs. John Wallace, 2022 Richmond Road, Victoria, the baby's grandparents, were present at the ceremony, together with many former Victorians now resident in Vancouver.

A number of members of the Garden Club, Victoria, have gone over to Seattle to attend a flower show that is to be held in the ballroom at the home of Mrs. Stimson, the Highlands. Leaving this afternoon to attend the show were Lady Barnard, Mrs. Biggerstaff, Mrs. Hugo Beaven, Mrs. W. P. D. Pemberton, and Mrs. Hermand Robertson, while yesterday afternoon Princess Chikmakoff, Mrs. Lennox Irving and Miss Gladys Irving went over to Seattle for the event.

Dr. Everett Raynor, son of Mrs. Melbourne Raynor, 808 Russell Street, and the late Dr. Melbourne Raynor, will be graduated from Queen's University, Kingston, to-morrow. He will arrive here next week, and after a short holiday with his mother will proceed to Vancouver, where he will be an interne in the Vancouver General Hospital.

Norfolk House Old Girls' Association has been engaged to provide the music. Tickets for the affair are obtainable from the president, Mrs. R. F. Denzil, 2320, or from the members of the committee, Miss Amy Adamson, Miss Margaret Izard, Miss Prudence Terburgh, Miss Sylvia MacKenzie or Miss Joyce Marriott.

## AUTHORS HEAR ORIGINAL SONGS

Mrs. J. O. Cameron's Compositions on Attractive Programme Yesterday

The May meeting of Victoria and Islands Branch Canadian Authors' Association, held yesterday evening at the Women's Institute Rooms, Fort Street, was principally devoted to poets and poetry, with Miss Eugenie Perry presiding.

As an echo of the King's Jubilee celebration in Victoria, Mrs. Ebbes-Cameron told of a brief interview with Audrey Alexander Brown, who journeyed down from the Solariun to broadcast her poem "King George the Faithful," which was a feature of the all-Canadian broadcast. Mrs. Doris Ferne, convener of the poetry group, read a paper on poetry, and outlined the programme of study now being carried on by members of this group. The latter part of her address was illustrated with poems by some of the members: "Beach Fire," by Audrey St. Denis Wood; "Kathleen Alanna," by Donald A. Fraser; "Swallows," by M. Eugenie Perry; "Fields in the Wind," by Mrs. Florie MacLaren; "Shelter," by Myrtle E. Lane, and "Morning," by Ann Marriott.

A musical interlude was contributed by Mrs. W. H. Wilson, who sang three charming songs, words and music by Mrs. J. O. Cameron, accompanied by the same gifted artist. Mrs. Cameron's songs are entitled "In a Springtime Garden," "Thoughts" and "Perseus." Rev. E. F. Church spoke briefly upon the art of talking and quoted a favorite poem of Bliss Carman. Mrs. Maude Paget spoke on the designing of book jackets, showing some examples of her interesting work and in particular the cover design for the forthcoming novel by Nellie L. McCune. Mrs. McCune, who was presiding, spoke with enthusiasm of the artistry of Mrs. Paget's design. Mrs. Paget, by request, brought also a number of her charming miniatures, which were much admired.

Donald A. Fraser contributed two sonnets to the programme, "A Lesson" and "Canada," and an amusing poem, "Us Poets," by Arthur Gutterman. The programme closed with a sonnet by Mrs. Doris Ferne, "Year's End."

Mrs. Clarke of Beach Drive has donated a wheel chair to the Royal Jubilee Hospital, Dirk Van der Pent of Saanich has given 300 dozen tulips, St. Luke's Sunday School and the Lake Hill Mission have sent various gifts. These were reported and acknowledged at the monthly meeting of the board of directors.

Total days' stay of patients in the Royal Jubilee Hospital during April was 5,820, according to the monthly report submitted to the directors. This gave an average of 217 patients a day; an average cost per day per patient of \$3.05, including X-ray and laboratory, \$3.23.

**THE VITAL 3**  
Prescribed by Physicians the World Over

The value of calcium, phosphorus and iron (the "Vital 3") for run-down or convalescent patients has long been recognized by the medical profession. In Fellows' Syrup these minerals ("Vital 3") are available in a form particularly effective in helping to build up the blood, nerves, body tissues and bones.

## DR. JESSIE ANDERSON TO ADDRESS CLUB

The Women's Canadian Club will meet on Tuesday afternoon, May 21, at the Empress Hotel, when the speaker will be Dr. Jessie Anderson, of the Provincial Normal School. Dr. Anderson is a very witty and easy speaker, and her subject will be "Canadian Ideals." Members are reminded that nominations for the next year's officers and executive must be posted at this meeting, so all nominations should be in the hands of the committee, Mrs. H. P. Rodin, Mrs. Duncan E. Campbell or Mrs. J. Gordon Smith, not later than Saturday, May 25.

## MRS. ROOSEVELT VISITS MINE

President's Wife Spends Hour and Half Underground in Coal Mine

Associated Press  
Bellaire, O., May 21.—Hundreds of feet beneath the great hills of Belmont County, Mrs. Franklin D. Roosevelt traveled through coal mine tunnels today.

For two hours the President's wife saw operations "in the raw" as cutters, drillers, maintenance crews, trackmen, loaders and other mine workers dug coal from the Willow Grove mine of the Hanna Company at Neffs, several miles west of here. Arriving from Washington, Mrs. Roosevelt donned attire appropriate for the underground visit an hour and a half later. She traveled many miles in fulfilling her desire to witness coal miners at their work. Mrs. Roosevelt's interest in adult education and the manner in which mining families live caused her to accept an invitation to deliver an address at closing exercises for the "People's University" here. The school was founded six months ago to provide courses of study for miners anxious to advance their education. Volunteers served as supervisors. Sessions were held in the municipal building, schools and churches.

## Only Few Women Become Dentists

Canadian Press  
Toronto, May 21.—Ontario has about fifteen women dentists and even among the fifteen the opinion is general that the profession is for men. A half-dozen women attended the Ontario Dental Association convention here today.

One woman delegate explained the lack of her sex's interest in dentistry as being mainly because of the great amount of mechanical work involved. Women, she said, don't make good mechanics. "It's a long and difficult course—long hours and lots of studying, and it's no fun at all," she said, "to embark if one's ambition is to marry and have a home," said another.

## Duncan

Duncan, May 21.—The Agricultural Hall was filled to capacity on Friday evening for the Musical Festival concert, arranged to raise funds towards the cost of transportation of Duncan contestants to the Nanaimo festival. The programme included: Two numbers delightfully sung by Grades 1 and 2 of Duncan Consolidated School; "The Dream Man," Grades 3 and 4 gave two numbers; conducted by H. E. Blanchard, principal of Duncan School; "Elsie Hutchison sang," "An Indian Mother's Song," folk dancing by Cowichan Girl Guides; two numbers by Grades 5 and 6 conducted by Miss K. Graham; vocal solos by Miss Eleanor Hosen; selections by Cowichan quartette; Mrs. and Mrs. Maclean, Mrs. W. Dobson and A. E. Robinson; numbers by Queen Margaret's School conducted by Miss Shillito; piano solo by Muriel Evans; numbers by Grades 7 and 8 conducted by P. Parfitt; and a play, "A Minute," by the Nanaimo Dramatic Academy.

## British Beauties Judged Winners

Associated Press  
London, May 21.—Sixteen English beauties won handsomely today in a beauty contest with American and English professional show girls in a special international team beauty contest.

The amateur group, picked from thousands of girls throughout the British Isles for The Daily Mail's team, were judged to be far the best looking.

## CIVIL SERVICE DAMAGES

Ottawa, May 21 (Canadian Press).—Since July, 1930, a total of 12,840 temporary and permanent civil servants have been "separated" from the service by reason of dismissal, superannuation, death or other causes, a return tabled yesterday in the House of Commons shows. The dismissals totaled 976.

**Send Your SUITS TO New Method CLEANERS & DYERS**

## RADIO STAR TO MARRY TITLE

When he left Waterloo Station, London, on the majestic boat-train for a six weeks' visit to the United States, Viscount Moore, son and heir of the Earl of Drogheda, confirmed his engagement to Miss Joan Carr, radio artist. The engagement had previously been denied. Viscount Moore, who recently celebrated his twenty-fifth birthday, is pictured here with Miss Carr just before he left Waterloo Station.

## SISTER MARY'S KITCHEN

BOILING IN SALT WATER BEFORE COOKING KIDNEY POWDER FROM TASTING STRONG

By MARY E. DAGUE  
I see by the society columns that in Florida they are having fried spring chicken and strawberries these cold days. That is all very well for them, but my family, when it has chicken, must depend right now upon what my poultry man calls "fowl." Spring chicken is too dear for us at this season.

All the same, properly done, fowl will produce a delicious-tasting dish. Most important in preparation, whether you are planning to stew or braise or casserole, is to let it stand in cold salted water for one hour before cooking. This is to forestall the strong taste that sometimes develops otherwise with the prolonged cooking required to make an older chicken tender. A low temperature during the entire cooking period is also necessary.

**HIGH HEAT TENDERS MEAT.**  
Too often old poultry is hard and dry even after several hours' cooking because it was started at too high a temperature. Quick surface browning improves the looks and taste of casseroles, but does not affect the tenderness of the meat because the heat fails to penetrate. Chicken fricassee is good. So is chicken stew, and economical, too. The liquor in which the chicken is cooked always is rich enough to make delicious gravy. Plain stewed chicken with gravy and baking powder biscuit is very easy to prepare.

**Monday's Menu**  
Breakfast: Orange juice, cereal cream, soft cooked eggs, toast, milk, coffee.  
Luncheon: Baked macaroni and cheese, fry bread and lettuce sandwiches, canned peaches, coconut cookies, milk, tea.  
Dinner: Casserole of chicken, mashed potatoes, corn croquettes, salad of sliced head lettuce, cream, cheese dressing, open apple pie, milk or coffee.

## Lessee Is Blamed By Coroner's Jury

Montreal, May 21.—A coroner's jury yesterday held Roger Dargencourt, twenty-three, criminally responsible for the death of Hilda Charles, seven, fatally burned when her ballet dress caught fire at a dance recital. Three little girls were badly burned at the same time and are still under treatment in hospital. Dargencourt was lessee of the theatre for the recital.

## Wage Scales Cut By Roosevelt

Washington, May 21.—Slashing public works administration hourly wage scales all down the line, President Roosevelt has fixed labor's monthly wage under much of the \$4,800,000,000 works programme at a low of \$19 and a high of \$64.

An immediate challenge of this scale, based, except on specific instances, on a maximum forty-hour week and eight-hour day schedule, came from Senator McCarran, Nevada Democrat, who led the unsuccessful prevailing wage fight during passage of the bill.

The President's executive order, issued yesterday, would "completely wreck the country's wage scale," said Senator McCarran.

**TO SHOW COLORED FILMS**  
In Metropolitan Institute, corner of Mason and Quadra Streets, Harry Lewis will show at 8 o'clock this evening some interesting natural colored moving pictures. The public is cordially invited.

## MARY PICKFORD IS ACCLAIMED

Seattle Critics Describe Star's Stage Performance As "Brilliant"

Associated Press  
Seattle, May 21.—An enthusiastic audience, filling the Metropolitan Theatre, greeted Mary Pickford here last night in "Coquette," her first appearance in the full length drama since she played in David Belasco's "The Good Little Devil."

"Her performance was a revelation to all of us," said Richard E. Hayes, dramatic critic of The Seattle Times. "She began in the theatre and she is still at the theatre."

**AUTO FATALITY**  
Vancouver, May 21 (Canadian Press).—Injured when he was struck by an automobile at the intersection of Pender and Cambie Streets, John Currie, elderly Vancouver resident, died in hospital yesterday evening shortly after being admitted. John R. Burton, Vancouver lawyer, was charged with driving to the common danger.

## STAGE NOTABLES ARE MARRIED

Associated Press  
London, May 21.—Dorothy Hyson, the actress daughter of the well-known stage couple, Dorothy Dickson and Carl Hyson, was married to Robert Douglas, British actor-manager to-day.

Douglas Fairbanks Jr. and Frank Lawton were among the ushers, and the congregation included many Americans and several titled Britons. The bride was born in Chicago nineteen years ago, shortly after her parents formed the well-known ballroom dancing team.

## SIX MEN AWAIT COURT'S RULING

Canadian Press  
Vancouver, May 21.—Magistrate Mackenzie Matheson yesterday reserved decision until May 28, following completion of preliminary hearing in the case of six men charged with conspiracy against the administration of law in Vancouver.

The case against a seventh, Eugene Valente, taxi driver, was dismissed. The six who will know on May 28 whether they are to be committed for trial or discharged are John Cameron, former chief of police; Joe Celona, convicted white slave; Lou Barrack, convicted badly house operator; Joe Swartz, stockholder in a slot machine distributing company; Wally Cole, night club proprietor, and Joe Alvares.

The Y.M.C.A. will observe Victoria Day, May 24, as a holiday with all general classes suspended. Facilities will be available, however, for individual use.

# FORD Pioneers Again in Announcing A NEW PROTECTIVE PLAN FOR USED CAR BUYERS

## YOUR USED CAR PURCHASE IS NOW SAFEGUARDED BY ALL FORD DEALERS IN CANADA

FORD pioneering is a byword. Ford pioneered efficient automobile transportation at a cost which millions could afford. Ford laboratories refined the V-8 principle, and pioneered V-8 engine performance and economy in the low-priced field—making the finest and most economical Ford car ever built.

**What the New Used Car Plan Does**  
Now we pioneer with a plan which will protect and benefit buyers of used automobiles. We call it the FORD DEALER 3-5 PLAN. The plan enables you to buy used cars of all makes and models at a wide range of prices from your FORD DEALER—fully protected by a money-back guarantee or exchange privilege, depending on the price you care to pay.

## Why You Should See the Ford Dealers First

In this advertisement we reproduce the 3-5 Plan Diamond Labels. They are exclusive to Ford Dealers. Used cars for sale under the terms of this plan have a Diamond Label on the windshield. Due to the great popularity and increased sales of the 1935 Ford V-8, Ford Dealers have taken in a great number of excellent used cars of various makes and models. Ford Dealers operate under factory supervision in handling used cars. You

can depend on the Ford Dealer to give you good value at a fair price.

## Now the 3-5 Plan Protects Your Purchase

Suppose you select a car priced at \$300 or more. After driving it, if you are not entirely satisfied, the Ford Dealer from whom you purchased will refund your money without question any time within three days of the date the car is delivered to you. Or suppose you choose a car priced under \$300. You may decide later that you prefer a different make or body type. The Ford Dealer from whom you bought will gladly exchange it for another used car of the same price or he will apply it as partial payment on a higher priced used car or a new car, provided the request for exchange is made within five days from the date the car is delivered to you.

No matter how much or how little you pay, you have the protection of the Ford Dealer's good name. You can be sure he will treat you right. At his used car lot or premises, see the fine Diamond Values offered. There's one you'll want.

You don't have to know used cars if you buy from a Ford Dealer. Either of these Diamonds on the windshield is your protection. Look for it.

**3-DAY MONEY-BACK GUARANTEE** on cars priced at \$300 or more

**5-DAY FREE-EXCHANGE PRIVILEGE** on cars priced under \$300

**FORD MOTOR COMPANY OF CANADA, LIMITED**

## HAS CURIOUS OLD SOUVENIR

Robert Moffat of Victoria Has Brokers' Medal, Issued in London in 1850

A brokers' medal, issued to William Early Moffat of No. 38 Mincing Lane, London, in 1850, is now in the possession of his grandson, Robert H. Moffat of 419 St. Charles Street, Victoria.

Mr. Moffat has had the medal for some years, and never knew just what it was. Some months ago he sent it to the Guildhall in London, asking officials there if they could tell him for what the medal was issued. Mr. Moffat now has the answer of the Town Clerk of London.

William Early Moffat, whose name is inscribed on the medal, was a broker from 1850 to 1865, the Town Clerk's letter states.

"These medals were issued by the Court of Aldermen of the City of London to brokers," the letter says, "and were regarded as a license; the original provision defining them as being 'for the satisfaction of all such as shall doubt whether the broker is a lawful sworn broker.' The broker was required to produce on request a medal of silver with the Royal Arms on one side and the Arms of the City of London, with the name of the broker, on the other side."

Mr. Moffat's father, Robert Moffat, the records in the Guildhall of London show, was sworn in as a broker in 1850. He was married to a widow, No. 38 Mincing Lane, appear in a list of brokers in 1852.

## Twenty-five Years Ago To-day

THE VICTORIA DAILY TIMES

May 21, 1910

(From The Times Files)

"Flying has passed the purely experimental stage, and is now simply a matter of development," said Dr. Alexander Graham Bell, Canada's great inventor, who was in the city yesterday en route to Australia. "The practicality of that mode of progression has been clearly shown a dozen times, and now nothing remains but to adapt it to the various needs of the people in the different walks of life."

There is every probability that the coming summer may see international complications in the air, as the sailing and other hunting industry with which this port is so intimately connected. Four American cutters have gone north, clearly showing for some means of justifying their and that includes the whole fleet, will be present in northern waters. The probability is that the summer's season which have gone to hunt or to be arrested by the cutters, and if so there certainly will be trouble.

What will probably be the last grand what-to-be held on the Songhees Reserve commenced this morning, when Willie Jack, grandson of the first chief who held sway across the harbor, gave away about \$500 worth of canoes, blankets, money and other gifts to the three hundred Indians present.

Sixty-eight minute guns, booming solemnly as the sun was setting, ended yesterday's mourning for the late king. Immediately after the last gun had sounded the half-mast flag was lowered and then hoisted to mast head, and a royal salute of twenty-one guns roared out recognition of King George V.

What is the matter with winning the four, pairs and singles at the N.P.A.A.O. regatta this year? The trouble is that Victoria has not got the men. The response made by the members of the only rowing organization in the city to the call for rowing men to train for this summer's events is not promising, for out of a membership of three hundred nine names have been handed in.

## RELIEF CAMPS

(Continued from Page 4)

month for the same pay. In the fall the government again claimed a lack of money, and a scale of relief giving a bare subsistence was forced on the indigent and homeless compelled to remain in the camps during the winter. The same winter semi-militarized experimental camps were started by the Department of National Defence at Selkirk and at Ft. G.C. Soon it took over the control of all relief camps and projects, discipline being enforced to allay the growing discontent.

Seeing in this, an attempt to bring about applied army rule, the men walked out, but receiving little sympathy or support and faced with starvation, had to return. The gradual worsening of conditions, unjust treatment, and discrimination against men with genuine grievances resulted in short strikes, and outbursts of discontent and unrest in the camps until a general strike of all camps took effect in Vancouver last winter. A result of this strike was that a commission to immediately inquire into camp conditions was promised, and a return to the camps was made on this understanding, but the inquiry did not start until April 4, three months later, for which date the Relief Camp Workers' Union had called a large and more effective protest walk-out.

The men have shown the strength of their convictions by responding 80 per cent.

ROBERT GRENSON

AN OPEN LETTER TO MRS. STEVES, M.P.P.

MRS. LARGE

To the Editor:—Please print the enclosed open letter to Mrs. Steves, M.P.P.

Dear Mrs. Steves:—Does not the lot of the older women who are overtaken by poverty call for consideration and amelioration? There are those on "direct relief," women of sixty years and over, who are suffering acutely from the privations and humiliations that are their under present conditions. Many of these are women of refinement, education and culture, who are in danger of serious hurt to both mind and body through the constant first brought about by reason of the pinching poverty they are obliged to endure.

It is rendered the more acute as they become increasingly conscious of the abounding wealth around them, and the consequent conclusion they come to that all their sufferings

# LESS ENGINE WEAR!

**LONGER LIFE**

Laboratory "Engine Wear Tests" and cylinder measurements of a stock car driven 60,183 miles in 60 days with Triton Motor Oil showed that Triton reduces engine wear—that Triton forms less carbon, less sludge and has longer life than Eastern or Western Oils.

Try Triton—100% PURE PARAFFIN-BASE

UNION OIL COMPANY OF CANADA LIMITED

and privations are entirely unnecessary.

The message sum of \$15 monthly (for rent, light, fuel, food, etc.), is entirely insufficient to maintain a woman beyond the very barest necessities, and living (if it can be so called) in these conditions is the direct cause of practically all the minor ailments, and of many of the serious ones resulting in hospital and doctors' bills which have, of course, to be met by the community as the patients themselves are destitute.

In what better way could we show our loyalty and devotion to our King than by standing behind his earnestly expressed wish for better social conditions than by making every effort to lighten the load laid so heavily on the shoulders of these our sisters, many of whom realize that when the longed-for better days dawn they may not be here to welcome it? Could not the assistance of \$15 per month be increased to at least \$20? or could not the old age pension (with no sort of stigma attached to the recipient) be granted at sixty years to destitute women?

The lot of the unemployed young people is indeed hard, but they have hope, and can hope; the lot of the aged poor is tragic.

**RACHEL E. LARGE (Mrs)**  
1536 Fort Street, Victoria.

**BOY SCOUTS**

To the Editor:—Through your columns I would like to ask why has become necessary for the Boy Scouts of this city to "blow their horn" through the medium of a bugle band? My conception of scouting was

always decidedly opposed to this sort of thing. Surely a scout does not have to herald his arrival with the loud blare and blather of trumpets.

Watching the King's Jubilee parade here on May 6 I felt positively humiliated to see the band marching behind a band—and I am told by eye-witnesses that Baden-Powell himself, as politely as possible, turned his head away when the band marched past during his recent visit here.

And I cannot think of anything that would lay the movement more open to charges of militarism.

ONCE A SCOUT ALWAYS A SCOUT.

Victoria, May 21.

**EMBROIDERY PLANTS CLOSED**

Montreal, May 21.—Unable to reach an agreement with dress manufacturers, twenty Montreal embroidery and pleating manufacturers closed their factories yesterday, leaving about 500 employees idle. The move threatened to affect the entire Montreal dress trade.

The manufacturers, banded together under the name of the Pleating and Embroidery Manufacturers' Association, announced they had declared a "stoppage of work" after the National Associated Women's Wear Bureau, which acts for about 250 Montreal dress manufacturers, refused to meet them to talk over suggested improvements in working conditions.

# Hundreds of Saanich School Children Compete Thursday

## THE SPORTS MIRROR

### Complete Entry List For Events Announced To-day

Annual Meet to Be Staged at Beaver Lake Site, Starting at 1.30 o'clock

#### GOOD VARIETY IN PROGRAMME

Hundreds of young athletes from thirteen Saanich schools will flash over sprint distances and participate in field events at one of the largest annual sports held by the educational centres of that municipality.

Tiny tots, under nine years of age, as well as husky young boys and girls in their teens, will strive for individual honors and the more important laurels reserved for schools taking highest aggregate points.

In addition, one or two open races will be staged, as well as novelty events, which should attract considerable attention.

An active committee, under the general direction of P. C. Routley, president of the Saanich School Sports Association, has been busy caring for various details of the meet and everything is now in readiness for a first-class series of competition.

The first event is scheduled to start at 1.30 o'clock. The list of officials in charge of the meet, school letters and the complete entry list follows:

**LIST OF OFFICIALS**  
President—P. C. Routley.  
Secretary—J. H. Cullen.  
Judges—Track events: F. G. Aldous, Capt. N. Gray, F. Tuppen, Field events: G. Taylor, H. Dawson, A. Murphy, M. Glaspeil, F. C. Giles, W. C. Osdar.  
Records—Track events: Miss H. Fletcher, L. Tait, J. McInnes, Field events: Miss K. Everest, Hay.  
Marshals—P. C. Routley, J. Dewar, J. H. Hartman.  
Reception committee—A. E. Hull, W. Tolmie.  
Refreshments—Messames Higham, Jeanne, Cullen and Brandon.  
Groundsman—R. Alcock.  
Distribution of cups—Chairman W. P. June.

#### SCHOOL LETTERS

Cloverdale (C), Craigflower (CF), Cedar Hill (CH), Gordon Head (G), Kestling (K), McKenna Avenue (MA), Prospect Lake (PL), Royal Oak (RO), Saanich (S), Strawberry Vale (SV), Tillamook (T), Tolmie (TL), West Saanich (W).

Boys under nine, fifty yards—First heat: B. Wallis (C), J. Robertson (CF), J. Townsend (CH), D. McKinnon (G), B. Smith (PL), Royce (RO), R. N. Gray (S), Second heat: J. Smith (SV), N. Ricketts (T), E. Maryan (TL), R. Bickford (W), B. E. Cullen (CF), Scott (CF), Gillespie (CH), Third heat: G. Roston (C), Mitchell (K), W. Dar (M), G. Doney (S), G. Hawkins (T), J. Barrett (TL), D. Sturges (W).

Boys under nine, fifty yards—First heat: J. Donaldson (C), J. Bird (CF), M. Sire (G), A. Severs (K), J. English (MA), J. Peatt (R), M. Preece (S), Second heat: E. Norton (SV), E. Summerville (T), B. Dempsey (TL), A. Pottinger (W), N. Martin (C), S. Coleman (CF), D. Hartshorn (P), Third heat: D. Drury (G), A. Chila (MA), L. O'Brien (R), H. Smith (S), Y. Rodman (SV), M. Wells (T), E. Wells (TL).

Boys under eight, fifty yards—First heat: T. Moffat (C), R. Colard (CF), M. Sheldrick (CH), R. Rutland (G), A. Hafe (K), G. Rickman (MA), A. Jones (B), A. Buckle (S), Second heat: M. Hitchcock (SV), M. Wharf (T), J. Cadden (TL), B. Chappell (W), J. McCord (CF), C. A. Waring (CF), K. Druce (CH), Third heat: B. Shillings (G), L. McTaggart (M), E. Marson (R), B. Wallace (SV), H. Eden (T), B. Brinkman (TL), B. Hunter (W).

Girls under eight, fifty yards—First heat: R. Brown (C), C. Tuppen (CF), M. Brooker (CH), N. Ley (G), J. Piere (K), H. Holten (S), E. Jones (S), Second heat: J. Gardner (SV), J. McDermott (T), J. Graham (TL), M. Thompson (W), J. McGee (C), R. Ray (CF), Third heat: D. English (MA), B. Neal (R), J. Lahmer (SV), B. Barlick (K), J. Buckingham (T), A. Chater (TL), B. Young (W).

Boys under seven, fifty yards—First heat: B. Graham (C), D. Hawthorne (CF), E. Elink (CH), M. Brant (G), T. Kicks (K), E. Wood (S), Second heat: G. Farguhar (T), D. McKinnon (TL), W. Kavanagh (W), T. Barratta (C), W. Scott (CF), R. Atkinson (CH), Third heat: J. Sire (G), R. English (MA), B. R. R. (C), L. Giesborne (W), G. Allen (SV).

Girls under seven, fifty yards—First heat: B. McClure (C), C. Earl (CF), E. Muller (CH), E. Sherwood (G), E. Embling (K), R. Young (S), L. Williamson (SV), Second heat: B. Wilkinson (T), J. Giles (TL), M. Richardson (C), B. R. R. (C), MacArthur (CF), M. Langley (CH), Third heat: N. Chalmers (M), I. Rattray (SV), M. Hingham (T), P. Campbell (TL), L. Frances (W), B. Hamilton (G).

Girls under ten, fifty yards—First heat: E. Dawkins (C), B. Rodwell (CF), P. Druce (CH), J. Brown (MA), F. Harborth (P), D. Oliver (R), G. (T), (Turn to Page 12, Col. 4).

### Speedy Drivers Prepare For Indianapolis Classic

Three former winners of the Indianapolis auto classic will be out to repeat in the Memorial Day race this year on May 30. "Wild Bill" Cummings, winner last year; Lou Meyer, victor in 1928 and 1933, and Peter De Paolo, 1925 winner, are among the favorites in the field of nearly sixty drivers entered. Cummings set a new speed record for the 500-mile grind last year when he averaged 104.86 miles an hour. The race is worth approximately \$50,000 to the winner.

### Uniteds Bringing Smart Ball Club

Vancouver Senior League Team Will Play Victoria in Two Games at Athletic Park on May 24; Local Team Will Be Strengthened With Tacoma Stars; Games at 10.30 and 5.30

Boasting one of the classiest line-ups in the Vancouver Senior League, the Uniteds are being brought to the city for a pair of exhibition baseball games against the Victoria sons of Canada club at the Athletic Park on Friday, May 24. The holiday fixtures will be staged at 10.30 o'clock in the morning and 5.30.

For their games against this stiff competition the Victoria team will import a pitcher and infielder from Tacoma. Just who will be brought in will not be known until late to-night, but both players will be of first class calibre. The Tacoma hurler will work in the first game against the Vancouver nine. For the afternoon engagement the Victoria team will rely on their own three hurlers. Leo Holden, Lloyd Cann and Lloyd Jones. Holden and Cann both worked in the recent series with the touring Japanese and showed up remarkably well.

With their own line-up, the Uniteds should be able to hold their own with the sluggers on the Uniteds' line-up.

The Victoria players are all pepped up following their 4-0 victory over the Tokio Giants last Wednesday. This was the first defeat suffered by the Japanese at the hands of an amateur club since they opened their North American tour. The locals are now anxious to take the Uniteds into camp and are shaping up well in their practices.

### ALL SET FOR SPEED TESTS

Pacific Northwest Aces Scheduled to Race in Automobile Events Saturday

Dust-eating speed demons of the Pacific northwest speedways will invade Victoria on Saturday to battle local drivers in a series of five races on the British Columbia Automotive Sports Association programme at the Willows, it was revealed to-day.

Seven Seattle drivers, including sectional champions and record holders, are billed to appear in the international automobile and motorcycle meet which is listed to start at 2.15 o'clock.

Mario Bianchi, Pacific northwest champion, will be over with his own car for the contest. Jimmy Miller, holder of the Portland track record, is scheduled to race Glen Jones' special in the events, while Earl Brunk, Montana State champion, will drive his own speed wagon in the races.

Wob Davidson, Jimmy Wilburn, "Swede" Linkog and Adrian Lawrence, all well-known figures in the United States Pacific northwest section, have indicated their intention of coming across to compete in their own cars.

**LOCAL HOPES**  
With their cars souped up and ready for the dirt track battles, the longest of which will be a twenty-five-lap race, the Victoria boys hope to give outside challengers plenty of competition.

### Roller Hockey

Red Wings defeated Roughriders 2 to 1 in the Royal Juvenile Athletic Association Roller Hockey League play-offs yesterday. The third and deciding game of the series will be played to-night at 8 o'clock at Rock Bay Avenue.

### Junior Baseball

Organization of a Junior Baseball League will take place at a meeting to be held to-morrow evening at 8 o'clock in The Colonist board room.

**THISTLES PRACTICE**  
A workout of the Saanich-Thistles football team will be held to-morrow evening at 8.30 o'clock at the Central Park. All players are requested to attend.

### League Gala To Be Held June 4

#### Canadian Tennis Stars Defeated

Paris, May 21.—Marcel Raimville and Roland Longtin, Montreal, were eliminated from the doubles of the French hard court tennis championships in the second round to-day, beaten by Harry Hopman, Australia, and Enrique Maier, Spanish champion, 6-1, 6-3, 6-1. Lizana, the Chilean sensation, made her first appearance on a continental court, teaming with Lili Alvarez and losing to Mlle. C. Rosambert and Mlle. L. Neufeld, France, in the women's doubles, 6-2, 6-2.

D. G. Freshwater and F. H. D. Wilde, England, defeated Paul Peret and Andre Desjardins, 7-5, 6-2, 6-1.

#### ELIMINATION HEATS BILLED

Victoria High School Athletes Start Qualifying Contests To-morrow

An overwhelming entry list for the track and field events for the annual Victoria High School sports meet to be staged on May 29 makes necessary eliminations previous to the actual day of the meet. With the campus in as good shape as it has ever been, eliminations in the senior, intermediate and junior divisions will get under way this week.

To-morrow heats in the senior 100 yards will be run off. Entered for this event are Yosh Ishida, Drummond-Hay, George Birnie, John MacGregor, H. Colvin, Doug Haddon, Jack Ferguson, Duncan, Ernie Bishop and Porky Andrews. The sprint, as nearly all the events this year, is more open than it has ever been before. Yosh Ishida flashed a speedy pair of legs over the turf last rugby season and should be good for a place in the final. Lorne MacGregor and Doug Haddon are capable sprinters and should give a good account of themselves, while the other entrants may spring very unexpected surprises.

#### BOX SCORE

	AB	R	H	P	O	A	E
Stockers	4	1	1	1	0	0	0
Stockers	4	0	0	1	0	0	0
Harris	3	0	0	2	3	1	0
L. Murray	3	0	0	0	0	0	0
Jackson	3	0	0	0	0	0	0
Casey	1	0	0	0	0	0	0
Rabey	3	1	2	0	0	0	0
Jones	3	1	0	0	0	0	0
Palge	1	0	0	0	0	0	0
Totals	27	4	4	24	7	3	0

#### WEDNESDAY SOCCER

Plans for the annual banquet and presentation of cups to clubs in the Victoria and District Wednesday Football League will be made at a meeting to be held Thursday evening at 8 o'clock in The Colonist board-room. All clubs are asked to have representatives present.

#### JUNIOR FOOTBALL

The Victoria and District Junior Football Association will hold a meeting this evening at 8 o'clock in The Colonist board-room. This will be the last opportunity for teams wishing to enter to file their applications. The league schedule will start on May 27. Anyone interested is asked to attend. The association will assist any teams that are not yet sponsored and wish to play ball in this league.

#### Managers of Barney Ross Suggest Him as Referee For McLaren Bout

New York, May 21.—Raucous shouts of protestation disturbed the quiet of the Catskill Mountains to-day.

It was Sammy Pian and Art Winch, co-managers of Barney Ross, crying to the countryside what would happen if referee Arthur Donovan was used for the May 24 clash of their boy and Jimmy McLarnin, king of all the welterweights.

Donovan was the third man in the ring last September when Jimmy outpointed the stylish Chicago Jew to regain the championship. He cast the decisive vote in favor of the Vancouver Celt to a chorus of "robbery" by Messrs. Pian and Winch.

Vacations were the vogue in the mountain training camps of McLarnin and Ross yesterday when unofficial word got around that the state athletic commission favored Donovan as referee for the third fight of the gamcock. Jimmy and Barney contented themselves with roadwork and calisthenics, leaving the newscorps at the camps pretty hard up for excitement.

Perhaps that was the reason the report about Donovan started.

"Over my dead body Donovan will referee the fight," blurted Pian.

#### HORSESHOE PITCHING

Last week's results in the Greater Victoria Horseshoe Pitching League provided no outstanding surprises except that Oakland B, who are well down in the league, played well to defeat Victoria West 179 to 161. A. MacDonald of Oakland and E. Worth of Victoria West were high scorers with sixteen rings each.

Oakland B in a second game this week were beaten by Jackson B by a scant seven points, 182 to 175. J. Miller was high man with twelve rings. B. Jackson Jr. followed with seventeen perfects.

Rennie and Taylor won over Oakland A 181 to 150. Jimmie Keating, as usual, was high man with twenty-five rings.

Pioneer A won over Naval Veterans B 200 to 128, and MacLeods Garage won over K. O. P. 202 to 151. The Pioneer B had things much their own way against the Strathcona, by a win of 202 to 82, and Jackson A swamped the Scottish, who were a man short, 301 to 82.

To-day is the final day for entries for the May 24 tournament, and all intending competitors are asked to send in their forms by to-night.

The league standing as at May 18 follows:

	P	W	L	Pts
Pioneer A	7	7	0	14
Pioneer B	7	6	1	12
Jackson A	7	6	1	12
MacLeods Garage	6	5	1	10
Jackson B	6	5	1	10
Rennie & Taylor	4	4	3	8
Oakland A	3	4	6	6
Canadian Boy Scouts	3	4	6	6
Strathcona	3	4	6	6
Oakland B	2	5	4	4
Veterans of France	2	5	4	4
Naval Vets	1	5	2	2
Knight of Pythias	1	5	2	2
Naval Veterans B	1	5	2	2

He had to stop for wind and Winch broke in.

"Why Donovan was just plain incompetent, and not only that but he was a coward. What says we'd be let him in there again?"

Pian had regained his breath and suggested they name Jack Dempsey, one-time heavyweight king and now successful restaurateur, to referee.

# Victoria Wrestlers Fail To Lift Title In Canadian Tourney

## Effa Drops Hard Match In Final; Patrick Has Cold

Former Gives Terry Evans, Toronto, Great Battle in 174-pound Final

### Boxers Go Into Action To-night

In yesterday evening's Canadian championship wrestling bouts at Edmonton Joe Effa, local contender in the 174-pound division, lost an unpopular fall in the final to Terry Evans, Toronto, according to a wire received by the sports editor of The Times to-day from Tommy Drysdale, Victoria coach, attending the tournament.

According to Drysdale, the winning fall was called on Effa while he was under the ropes. The Victoria grappler got a big hand from the fans when he nearly threw Evans twice with body slams, Tommy stated. The wire further stated that Effa was handicapped through a knee injury suffered when he was thrown off the train by strike picketers at Supton, B.C.

Drysdale went on to state that the Victoria boxers would be up against stiff competition and that Muzz Patrick, local heavyweight fighter, is suffering from a bad cold.

Edmonton, May 21.—Four grapplers from eastern Canada and three from the prairie west won Canadian championship wrestling crowns to-day as seventy-four boxers from coast to coast held final workouts before stepping into the squared circle to-night to battle for honors in the Canadian boxing championships.

Two 1934 champions—Terry Evans and Joe Schlemmer, both of Toronto—retained their titles yesterday evening as the action-packed string of thirty bouts was brought to a close. Eight of the bouts were decided by falls.

The 1935 championship slate:

118 pounds—Les Mills, Windsor, Ont.  
125 pounds—Verne Blake, Montreal  
134 pounds—Vern Pettigrew, Regina  
145 pounds—Jack Garry, Edmonton  
158 pounds—Joe Schlemmer, Toronto  
174 pounds—Terry Evans, Toronto  
Heavyweight—Pat McEwan, Edmonton

Blood flowed in the final heavyweight tussle when Meehan, burly Irish policeman, threw Regina's stable, Jimmy Lytle, in 16 with a half-nelson and further arm lock. Jack Page, Innisfail, argued over the decision that eliminated him in the 191-pound class.

Moose Jaw, was Page's conqueror in a preliminary. Meehan succeeded to the title held last year by Evans along with his 174-pound class crown.

**BEST EXHIBITION**  
Evans provided the best wrestling displays of the programme. He threw Howard Pender, Grand Prairie, Alta., with an arm scissor and body press in 4:40 in his semi-final bout and used a body slam and press to pin Joe Effa, Victoria, to the mat in 6:19 in the final.

Joe Schlemmer earned decisions over Laurence Jacobson, Edmonton, and Jack Burowski, another Edmontonian, before he entered the final in the 158-pound class against Fred Edwards, Edmonton. Edwards suffered an injury and was forced to retire.

Jack Garry, Edmonton, succeeded to the 145-pound title, held last year by Jim Allish, Toronto. He defeated Tom Gagen, St. Thomas, Ont., by decision. Gagen was the champion of the 125-pound class. McKinley was a decision over Jack Douglas, Medicine Hat, Alta.

Protege of Jimmy Trifunovic, former Olympic title, Vern Pettigrew earned the 134-pound class title held last year by Wally Meyers, Toronto. Meyers did not defend his title. Gordon Garry, brother of the 145-pound title, was Pettigrew's victim in the final. In his semi-final bout, Pettigrew threw Bert Jolly, London, Ont., T.M.C.A. instructor, who earlier in the evening had tossed Alex Siddons, Alta. Alta.

### Victoria-Nanaimo Rep Eleven Chosen

Selection of the Victoria and Nanaimo representative football team to oppose Vancouver reps in a two-game series this week-end took place at a meeting yesterday evening. The first game will be played at the Athletic Park on Saturday at 2:45 o'clock and the second Nanaimo on Sunday at 2:30. F. M. Robb will referee the local fixture. James M. Mesher will manage the island team.

The line-up follows:  
Goal, Louis DeCosta; Victoria; right fullback, Andy Gavin; Nanaimo; left fullback, E. Far; Edmond; Nanaimo; right half, Ron Williams; Victoria; centre half, Roy Barnes; Victoria; left half, J. Knight; Nanaimo; outside right, Gordon Bell; Victoria; inside right, "Scotty" Stewart; Victoria; centre forward, J. "Daisy" Waugh; Nanaimo; inside left, J. "Uke" Grey; Nanaimo; outside left, Grey Payne; Victoria.

Sammy Essler, Harry Storey and Noel Morgan, local players, and "Bud" Handland, Nanaimo, complete the team's roster of fifteen players.

Local players selected will hold a practice to-morrow evening at the Central Park at 6:30 o'clock.

## SCHOOL CRICKET MATCHES CLOSE

### Glenlyon Beats Duncan; Shawnigan Lake Overcomes University School

Glenlyon Preparatory School visited Duncan Grammar School on Saturday and scored a very close cricket match, winning by the small margin of two runs. Scores follow:

## Speed Demons To Seek Celebration Honors

Above are some of the Victoria car racers who will match their speed and driving ability against Seattle ones in the international automobile and motorcycle race meet at the Willow track on Saturday afternoon. The first event is scheduled to start at 2:15 o'clock. In the picture, reading from left to right, are: W. Pearson, Mac Macdonald, Phil Foster, Johnny Wright, Ed Allen and Jack Smith.

## Floyds Star In Pittsburgh Win

Three Players With That Name Play Infield As Pirates Slaughter League Leading Giants 11 to 4; Yankees Whip Chicago White Sox

Despite a patched up infield consisting principally of a lot of guys named Floyd, Pittsburgh Pirates have driven themselves above the .500 mark in the standings for the first time since the opening day of the National League season.

With Floyd Herman at first base in place of Gus Suhr, Floyd Young, subbing at second for Harry Lavagetto, and Floyd Vaughan at short as usual, the battling Corsairs rattled Forbes field fences with a home run, five triples, two doubles and six singles yesterday and walloped the league leading New York Giants 11 to 4.

Carl Hubbell, usually a Pittsburgh nemesis, started for the Giants, but retired in considerable disorder after four innings, during which the Pirates thumped him for five runs and six hits. Allyn Stout and Frank Gabriel won't hit, but they all looked alike to the Bucs.

**LUCAS NICHES WELL**

Meanwhile Red Lucas, making his first start of the campaign, blanked the Giants with three hits for eight innings. He followed up a hit in the ninth and gave up five hits and four runs, but they served only to make the score a trifle more respectable.

Woody Jones led the Pirates attack with a home run and two singles, while Young kicked in with a pair of triples. Suhr, suffering from a split finger, wicketed a Typhoid, in the ninth and thus kept his string of consecutive games played intact. He now has appeared in 506 in succession.

The victory left the Pirates in fifth place, a half game behind St. Louis Cardinals, and only four games out of first place. The Giants' lead over Brooklyn was shaved to a game and a half, in the only other National League game. Bill Lee held Boston Braves to six hits and Chicago's third place Cubs won, 5 to 1, to draw to within a half game of the Dodgers.

Chicago White Sox's 7 to 2 beating from the New York Yankees, coupled with Cleveland's 4 to 1 conquest of Boston Red Sox, cut the White Sox's lead over the Indians to a game and a half in the American League. The Pale Hose solved Johnny Broaca for nine hits, but the ex-Yale star was effective in the pinches. Carl Fischer, making his first start for Chicago, was saved for ten hits by the Yankees, including home run, was a shut out. Cleveland's hands as Oral Hildebrand kept eight other hits well spaced.

The champion Detroit Tigers moved down Philadelphia's Athletics, 5 to 6, in eleven innings, and now trail fourth place Boston by only one percentage point. Washington, another contender, was routed by St. Louis Browns, 8 to 2, as Russ Van Atta, former Yankee, failed in his debut for the Browns.

**AMERICAN LEAGUE**

At New York	R	H	E
Chicago	2	10	1
New York	7	10	2
Batteries: Fischer, Vance and Sewell; Broaca and Dickey.			
At Boston	R	H	E

**OAK RAY GOLF**

Mrs. E. Cuppert, Uplands Golf Club, won the special invitation women's tournament held yesterday at the Victoria Golf Club by turning in a card of 94-10-75, and Miss Mary MacKenzie-Grieve, also of the Uplands, finished second with 99-11-75.

## Carnera Figures To Regain Title

Springfield, Mo., May 21.—Primo Carnera predicts he will return to the fistie heavyweight championship.

After arbitrating a wrestling show here Carnera returns to-day to Hot Springs, Ark., whence he will move training quarters to New York.

## COMPLETE ENTRY LIST FOR EVENTS ANNOUNCED TO-DAY

(Continued from Page 11)

Malcolm (S. Second heat: N. Smyth (SV), A. Alexander (TL), D. Gill (C), G. Gore-Langton (W), R. Crowe (C). Third heat: R. Chila (M), U. S. Wong (SV), M. Thomson (S), P. Wallace (TL), D. Grant (TL), B. Anderson (W), T. Watt (W).

Boys under 10, 30 yards—First heat: B. Moffat (C), E. Eade (CF), G. Wells (CH), G. Pratt (G), S. Fletcher (M), D. Welch (P), J. Leiper (B), J. Dwyer (S). Second heat: C. Plaxton (SV), L. Sargeant (T), O. Jull (TL), H. Gill (W), H. Bown (C), P. Woodward (CF), G. Burnfield (CH), J. Vallance (G). Third heat: S. Harknett (M), O. Lohr (P), R. MacKay (R), P. Hitchcock (SV), D. Robb (T), J. Smith (TL), D. Carrier (W).

Boys under 11, 50 yards—First heat: L. Noble (C), E. Scott (CF), J. Reed (CH), D. Grant (CH), E. Everst (M), S. Lohr (P), J. Heal (R), Second heat: M. Simpson (SV), M. Mermord (TL), D. Grant (TL), B. Anderson (W), L. Johnston (C), E. Foster (CF), J. Kitto (CH). Third heat: M. Stagg (W), D. McTaggart (M), H. Phillips (R), J. Booth (SV), B. Pitt (T), E. Ellis (TL).

Boys under 15, 75 yards—First heat: S. Clark (C), R. Stewart (CF), G. Burnfield (CH), G. Richardson (M), L. Mathews (B), V. Boob (SV), Clarke (TL), W. Hubster (T), Second heat: L. Hick (C), T. Bowers (CF), R. Willmore (M), R. Stevenson (R), A. Ratner (SV), E. Barton (TL), J. Stewart (TL), D. Jack (G).

Girls under 15, 75 yards—First heat: D. Crase (C), S. Rant (CF), J. Armstrong (M), R. Huntley (P), E. Gardiner (SV), F. Alexander (B), G. Stone (TL). Second heat: D. Rutherford (C), O. Colman (CF), M. Watling (SV), S. Cunningham (T), R. Porter (TL), J. Rosson (G).

Boys under 14, 75 yards—First heat: P. Henderson (C), M. Tupman (CF), L. Wakely (CH), J. Dobbs (G), T. Ewart (M), D. Macdonald (B), G. (TL), L. de Lure (W), Second heat: L. Carson (C), D. Bligh (CF), M. Dewhurst (CH), H. Grant (G), M. Burkmar (M), G. Ralph (TL), E. Grant (TL), N. Poulson (W).

Boys under 15, 75 yards—First heat: R. Punt (C), W. Kirby (CF), J. Gillespie (CH), J. Watkins (M), A. Gordon (P), J. Robbins (B), R. Simpson (SV). Second heat: E. Atherton (T), B. Edmondson (TL), G. ## Indian Events To Feature Regatta

Bucks and Klootchmen Coming in Strength For Varied Programme at the Gorge on Friday Afternoon; Speedboat Races and Inter-city Rowing Races Scheduled

Broad flashing blades of Indian paddles, straining backs of bronzed tribesmen in their gaudy canoes, and slender, low war canoes, hard-driven, will give the Victoria Day Regatta at the Gorge on Friday much of the old color which made the water events one of the outstanding celebration features of this city in former years.

The regatta will be over in force for the events, five of which are listed on the varied regatta programme which will be staged under the auspices of the James Bay Athletic Association and the Victoria Hydroplane Club.

Scheduled to start at 1:30 o'clock on Friday, the programme is listed to continue until 5:45 o'clock as the seventeen contests are staged. INTERCITY ROWING Ten canoes are billed to compete in the inter-city events. The craft, Shadow of Valdez, with its white-shirted crew aboard, two Kuper Island Junior Club canoes, flying green and orange colors, Westholme, in pink; Stella Marie Mount Tru-hal, B.C. in yellow; Mount Preston, in red; Quamichan, in blue;

West Saanich, in blue and white; Coal Bay, in red and white, and Salmon Arrow (Malahat), in yellow and white, will be out for the money prizes.

Chief Michael Cooper will start the bucks and klootchmen away in their respective contests. For the rowing events, Dan Moore will act as starter; A. H. Cox, as referee; F. Dillabough, as clerk, and H. C. Akey, T. D. Roberts and B. Tobin as judges.

Norman Orice will start the motor boat races, over which N. Newell will preside as referee, and F. Doherty as clerk of course. Vancouver Rowing Club will challenge the Victoria oarsmen in some of the shell classics, while others will be limited to members of the J.B.A.A. only.

Trophies will be presented by the May Queen at the J.B.A.A. at 5:30 o'clock.

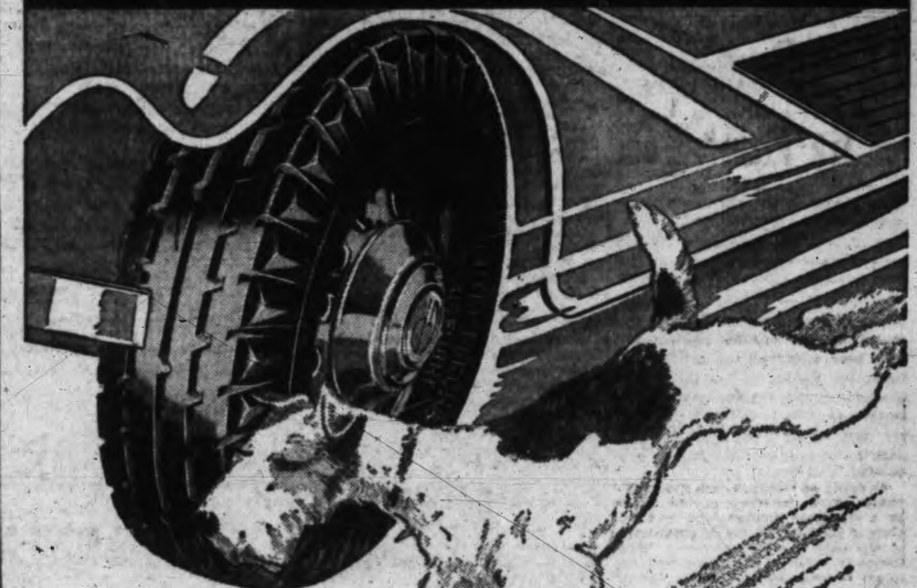

PROGRAMME The list of events and the times they are scheduled to start, follow:

1:30—Inboard hydroplane, ten miles.  
2:00—Novice fours, J.B.A.A.  
2:10—Single sculls, Vancouver Rowing Club vs. J.B.A.A.  
2:20—Indian war canoe race, forty feet or over.  
2:35—Double sculls, Vancouver (Turn to Page 15, Col. 4)

# TIRES OF

## Thoroughbred QUALITY

AT NO MORE THAN STANDARD TIRE PRICES

**THE NEW GUTTA PERCHA AIRFLIGHT TIRES**

GP construction features that are built into these guaranteed tires include:

- 2 Breaker Strips under the Tread—These distribute the effect of sharp blows, preventing undue strain at any one point—Safety!
- The Cool-ply—a cushioning ply of heat-resisting rubber that prevents heat from affecting other plies, guarding against blowouts—more Safety!!
- Gum Cushions—Built-in "Shock Absorbers" of pure gum rubber, placed between the plies to absorb the bruising bumps of the road—still more Safety!!!

Change now to Gutta Percha Tires and enjoy the safety and economy of GP Thoroughbred Quality Tire Construction.

"PERKY" Friendly little Gutta Percha Thoroughbred, identifies Gutta Percha Service. Look for him in the GP dealers' windows.

**Chain Business**

**By Mail Again**

The chain letter appears to have reverted to the original idea of using the mails after a frantic week of hand-to-hand trading.

Postman on their rounds are still playing the role of Santa Claus at many houses. At some homes, they report, several of the householders have been surprised and delighted at receiving dollars in the mails from chains they thought had died. Apparently many chains thought to be dead are moving but not with the rush anticipated by buyers at the time they entered upon them.

As many as eighty letters from dime chains were delivered to one house to a surprised woman who had not allowed for time for her original letter to circulate and had given up hope. Dimes on other chains are continuing to arrive after ten days from the receipt of the first dime return.

At some homes the dimes are eagerly awaited and are probably helping out a lot, the postman remarked.

At other homes, where they might help a lot, too, we met disappointed women who find consolation in figuring the maximum days it might take for the dimes to arrive to reach a conclusion as to whether their chain has been broken.

Milkmen report they are finding dime letters in the milk bottles. Some are addressed to the milkman. Some ask him to "please deliver to any person of your rounds."

**CAFES RAIDED**

**IN EDMONTON**

Disturbances by disgruntled relief camp workers in Edmonton are just as serious as the recent outbreaks in Vancouver, according to Norman G. S. Ingram, manager of Ginn and Company, educational publishers of Montreal, who has just returned to Victoria from the Alberta capital. Gangs of men, he said, were raiding the cafes and stores.

He was last here during the convention of the B.C. Teachers' Federation.

The social credit campaign is overshadowing everything else in Alberta with indications pointing to the adoption of the system in the province, said Mr. Ingram at the Empress Hotel today.

## NEWS IN BRIEF

The Canadian Pensioners' Association will have its monthly general meeting on Friday at 8 p.m. All members are requested to attend.

The Sussex Fellowship, which was formed last Saturday, in announcing the committee which was appointed, forgot to include the name of H. Frank.

H. D. Lindquist of the California Orange Growers' Association, Redlands, Cal., accompanied by his wife, is registered at the Empress Hotel today.

A remand until Saturday was granted this morning to W. A. Laming, charged in the City Police case with theft of documents belonging to T. J. Van Oudenol.

A permit for the repair of the Victoria Gas Company Ltd. coal bunkers on Pembroke Street, at a cost of \$1,272 was issued today by the city building inspector's department.

Fishing at the headwaters of Cowichan River in the neighborhood of Swatara, B.C., over the weekend, Roger Montiel, Arthur Pitta and Ross Crane, netted a catch of half a dozen rainbow and brown trout each. They were using Royce Concha and Service Free flys at deep wading.

The Equimatt council yesterday decided to ask the advice of its solicitor as to the liabilities of the municipality in the case of accidents happening to relief workers riding to or from the municipal trucks both during and after working hours.

Frederick Stuart Smith, playwright, is registered at the Dominion Hotel on a holiday visit to Victoria from San Francisco. He plans to visit Lake Louise and spend a considerable part of the summer in the Canadian Rockies.

H. F. Matthews, general manager, Canadian Pacific Hotels, left the city yesterday afternoon on his return to Montreal. En route east he plans to stop off at Lake Louise and Banff to arrange for the opening of the company's mountain resorts for the season.

The regular weekly card party of the Victoria West Liberal Social Club will be held this evening at 8 o'clock in the clubrooms, 414 Skinner Street. The usual prizes will be given and refreshments served. All Liberals and friends are invited to attend.

Theft of a quantity of old gold antiques from the Antique Galleries, 1001 Government Street, over night was reported to the City Police today. The value of the stolen goods was not given. The thieves are said to have entered with a pass key.

The Equimatt council yesterday announced its intention of considering the institution of regulated hours for all stores in the municipality. The decision was reached after consideration of a petition from the barbers and hairdressers of the district which said such hours be enforced for their trade by law.

The usual Wednesday luncheon of the Oxford Group will not be held this week as the visiting members of the Canadian traveling team are supposed to have all those in the fellowship, of both sexes, attend a short, quiet time meeting at the Empress Hotel at 12.15 on that day.

A lecture, illustrated by 150 lantern views, will be given to-night at 8 o'clock by E. E. Richards, in St. John's schoolroom, under the auspices of the Victoria branch of the St. John's Church. Mrs. Noel, Miss Moore and A. Jackman will render vocal solos. The proceeds are for the church funds. Rev. Bishop Lloyd will preside.

The first Battalion of the Canadian Scottish Regiment, will have a day of the war in the May 24 parade which will be full. All members of the unit who wish to parade with this Battalion at 8 p.m. Thursday, in civilian dress. Full dress kits will be issued today and on Thursday.

David M. Sloan and Louis Vashere, and up to trial charged with the Perwood Grocery robbery, appeared before Judge McIntosh in court today, with their respective lawyers, Joseph B. Clearhouse and P. J. Siro. They were each charged with a charge of robbery. The trial before Judge McIntosh after hearing Prosecutor W. B. Colvin set for tomorrow morning at 10.30 o'clock.

The Tofino Hospital Society acknowledges the following further donations towards its fund to build an emergency hospital at Tofino: Kyquut Trollers Co-op. Association, \$50; MacDonalds Consolidated Ltd., \$25; Seattle Trolling Vendors Association, \$50; Clarence Davis, Victoria, \$5; Miss Evelyn Stark, Victoria, \$5; John Rendall, Vancouver, \$5; Dr. C. K. Kennedy, \$1; Two Sisters at St. Joseph's Hospital, Victoria, \$2; Simpsons Ltd., donation of a hospital bed.

William Flenderlieth, provincial school inspector for Peace River, has been made a doctor of psychology, according to this year's graduation list from the committee on graduate studies. He is a native son of Victoria. He obtained his bachelor of arts degree at U.B.C. and received his B. Ed. and M.A. at the University of Alberta, respectively. He is now completing his final year's work for his doctor's degree at the University of Toronto.

**PROGRAMMES AND CHARITY**

For the third year in succession Joe North has volunteered to contribute the whole of the proceeds from the sale of the May 24 programme to the Sunshine Inn.

In 1933 Sunshine Inn received \$1,000 and in 1934 \$1,500. Capt. Burgess J. Gadenen reported.

The Inn has provided over 200,000 meals since it was first opened and has never received public money for its support. Freewill individual contributions and endeavors have been the means of its success.

Since January 1 until April 30 there was a cash loss for the operation amounting to \$182.84 and the month of May will increase this amount, except for the anticipated receipt of Mr. North's kindness.

**LAST RITES WEDNESDAY**

Funeral services for Mrs. Marjory Dunn, 937 Johnson Street, who passed away yesterday, will be conducted tomorrow afternoon at 3 o'clock, at McCall Bros. Funeral Home, after which interment will be in Royal Oak Burial Park.

## WHOLE HAMS FOR PRIZES

Good Awards Secured For Special Booth in Kinsmen Event Friday

Hams will be offered as major prizes at one booth in the Kinsmen Carnival at the Crystal Garden on Friday evening, clubmen in charge of the event announced today. Half-pound packages of bacon will be offered as prizes. The Kinsmen have accepted their allotted responsibilities without question and with a determination to do their share towards making the undertaking a success and guaranteeing a comfortable and its community work in the city.

Over a period of years in the "carnival business," the Kinsmen have acquired considerable information which has enabled them to perfect the entire workings of the carnival. Possibly one of the most arduous tasks is vested in the jobs of treasurer and his assistant. But such is the spirit of Kinsmen that they accept their allotted responsibilities without question and with a determination to do their share towards making the undertaking a success and guaranteeing a comfortable and its community work in the city.

## INTEREST IN AUTHOR WIDE

Dickens Fellowship Hears of Effect of Films on Popularity of Writer

A steadily increasing interest in the works of Charles Dickens on the part of all types of people in all parts of the world was commented on by speakers at a meeting of the Victoria Dickens Fellowship in the Campbell Building yesterday evening.

Several members of the fellowship contributed to the discussion, which was presided over by H. L. Penham, president of the organization.

Recent film productions of several of Dickens' works, notably "David Copperfield," had revived interest in the author, and also spread the appreciation of his talent in a considerably wider circle. It was pointed out that the popularity of Dickens had not formerly, as it had often been erroneously stated, all belonged to the "highbrow" type, yet here was no doubt that the interest in his works was now far wider.

Reviews and references in Canada, England, and also in Continental Europe, indicated that the 1935 would be a real Dickens year.

**GERMAN FILMS**

It was mentioned during the discussion that a number of Dickens novels were being filmed in Germany, and that other productions were contemplated both in England and at Hollywood.

Mrs. Margaret Douglas Chapple, one of the members of the Victoria fellowship, contributed to the evening's entertainment a dramatic reading from Dickens' "Household Words," describing Mrs. Buwinkle, the nurse.

**USE OF CHARACTERS**

A sketch on some of the characters in "Pickwick Papers" was given by A. W. Arnup, who mentioned that every figure in the book—of which there were 215—served to illustrate some point or set an example of some good quality.

Contributions to the evening's programme were also made by Miss C. G. Fox and C. O. Pemberton.

The fellowship's annual picnic will be held at the Experimental Farm, Saanich, on Saturday, June 21, it was announced by Mrs. J. B. Kennedy, secretary. Transportation will be provided for members and their friends by special coach which will leave the Coach Lines depot at 2.30 p.m. It is expected that between thirty-five and forty will take part in the event.

**SUGGESTS TEST FOR BENNETT**

Premier of Ontario Doubts Judgment of Prime Minister

Canadian Press

Toronto, May 21.—The statement of Prime Minister R. B. Bennett in the House of Commons today that Ontario's action in passing legislation to declare Quebec power contracts void "completely destroyed" Canada's credit in the United Kingdom "was the best thing that ever happened us politically," Premier Mitchell F. Hepburn said today.

"It shows Bennett in his true light as a Tory, die a Tory," said Mr. Hepburn.

"If Mr. Bennett is correctly reported we again find him fighting in the corner with special private interests," said Mr. Hepburn.

"The statement is of such grave importance that I am in doubt as to the exact nature of his disability. I suggest that instead of having his heart examined he have his head examined, because Canada's credit never stood higher."

The Premier pointed to the success of the recent \$60,000,000 Dominion loan and said Ontario's determination to balance the budget was meeting with wholehearted approval of the investing public.

**CITY POLICE CHALLENGED**

The Victoria City Police revolver team, which recently led British Columbia aggregations competing in the chief constables' shoot of Canada, has accepted a challenge to shoot a match next week with the American Trust Pistol Club of San Francisco.

This is the first time the locals have ever had a challenge from an outside team. The match will be shot simultaneously in Victoria and San Francisco.

Teams will be of ten men, each shooting twenty-five rounds deliberately at twenty yards. The arms will be of .38 calibre or over. The five highest men will submit their scores for competition.

## DEATH REMOVES HUBERT A. JONES

This morning at the Jubilee Hospital there passed away Hubert Allen Jones, aged seventy-three years.

Born in Bridgenorth, England, he had been a resident of this city for about thirty years. He is survived by one brother, Albert Jones of Port Angeles, Wash.

The funeral will take place on Thursday morning at 10.30 o'clock in the chapel of the Sands Mortuary. Rev. G. J. Jull will officiate and the remains will be laid to rest in the Royal Oak Burial Park.

## ORGES AGENTS' POLICY RIGHTS

Straker Case Now Revolved Around Control of Placing Insurance

Trial before Mr. Justice Lucas in the Supreme Court here of C. E. Straker's action for unstated damages against Massie and Renwick, to-day centred upon the question of whether the policy business written by a local insurance office agency belongs to that agency or to the insurance company with which the business is placed by the agency.

Mr. Straker, on the stand again today, contended that "the business remains the property of the agency unless there is a shortage or anything like that proved against him."

With his counsel, E. V. Finland, he claimed that the Massie and Renwick firm of Vancouver, under whom he held his local agency here, had no right to seize his business when he cancelled his agency contract with them. He testified that Massie and Renwick had improperly given all the information concerning the policies he had carried here to a competitor, Alder and Son, and helped this competitor to turn the business away from him when the time for renewals came around.

Alfred Bull, K.C., who with Hugo Ray of Vancouver is conducting the defence, contended that it was natural the company after cancelling an agency should desire to hold the renewal by getting them through its new agency.

"I could at any time have cancelled any of the policies I had placed with Massie and Renwick and put them in another company," replied Mr. Straker. "The policies were placed by me and were my business. But Massie and Renwick, after cancelling my agency, took all the expiration dates and gave them to a competitor, Alder and Son. That was the good-will that had taken me years to build up. They thus deprived me of my living by undermining my business and in addition to that tried to besmirch my reputation by sending out letters and making statements to my policyholders about me."

Mr. Bull expressed surprise at Mr. Straker's assertion that the agent could cancel and replace a policy at any time.

"That is something new the public ought to know," said Mr. Bull.

There is a lot that goes on in the insurance business, he said, and it is going to know," replied Mr. Straker.

Mr. Straker claimed in answer to Mr. Bull that the information given to the agent here to a firm such as Massie and Renwick, of Vancouver was in confidence and the Vancouver firm had no right to sell such information or turn it to their competitor, Alder and Son.

From what I know of any insurance agent, he said, it is not done to him, it amounts to his livelihood being taken away from him."

Mr. Straker took the court.

The court gallery is filled with local insurance men who are following the case.

**BEAN CONTEST WINNERS NAMED**

The Esabece Club of Victoria won first honors in the bean estimating contest conducted in connection with the city's May Queen coronation. It was announced today by officials in charge of the event.

As a result of its estimate, the club placed second, with 225. Second prize, amounting to \$20, was won by Mrs. B. Long of Courtenay, while the Esabece Club and Allan M. Davies, 201 Ontario Street, tied for third honors.

The winning estimate was \$740, that of Mrs. Lang, \$741 and that of the Esabece Club, \$742. Other winners were: \$10, J. H. Harvey, 1109 Sutherland Street; \$10, R. Williams, 3400 Dalhousie Street; \$10, Hubert Blackford, manager, Queen's Hotel, 306, 308, 310, 312, 314, 316, 318, 320, 322, 324, 326, 328, 330, 332, 334, 336, 338, 340, 342, 344, 346, 348, 350, 352, 354, 356, 358, 360, 362, 364, 366, 368, 370, 372, 374, 376, 378, 380, 382, 384, 386, 388, 390, 392, 394, 396, 398, 400, 402, 404, 406, 408, 410, 412, 414, 416, 418, 420, 422, 424, 426, 428, 430, 432, 434, 436, 438, 440, 442, 444, 446, 448, 450, 452, 454, 456, 458, 460, 462, 464, 466, 468, 470, 472, 474, 476, 478, 480, 482, 484, 486, 488, 490, 492, 494, 496, 498, 500, 502, 504, 506, 508, 510, 512, 514, 516, 518, 520, 522, 524, 526, 528, 530, 532, 534, 536, 538, 540, 542, 544, 546, 548, 550, 552, 554, 556, 558, 560, 562, 564, 566, 568, 570, 572, 574, 576, 578, 580, 582, 584, 586, 588, 590, 592, 594, 596, 598, 600, 602, 604, 606, 608, 610, 612, 614, 616, 618, 620, 622, 624, 626, 628, 630, 632, 634, 636, 638, 640, 642, 644, 646, 648, 650, 652, 654, 656, 658, 660, 662, 664, 666, 668, 670, 672, 674, 676, 678, 680, 682, 684, 686, 688, 690, 692, 694, 696, 698, 700, 702, 704, 706, 708, 710, 712, 714, 716, 718, 720, 722, 724, 726, 728, 730, 732, 734, 736, 738, 740, 742, 744, 746, 748, 750, 752, 754, 756, 758, 760, 762, 764, 766, 768, 770, 772, 774, 776, 778, 780, 782, 784, 786, 788, 790, 792, 794, 796, 798, 800, 802, 804, 806, 808, 810, 812, 814, 816, 818, 820, 822, 824, 826, 828, 830, 832, 834, 836, 838, 840, 842, 844, 846, 848, 850, 852, 854, 856, 858, 860, 862, 864, 866, 868, 870, 872, 874, 876, 878, 880, 882, 884, 886, 888, 890, 892, 894, 896, 898, 900, 902, 904, 906, 908, 910, 912, 914, 916, 918, 920, 922, 924, 926, 928, 930, 932, 934, 936, 938, 940, 942, 944, 946, 948, 950, 952, 954, 956, 958, 960, 962, 964, 966, 968, 970, 972, 974, 976, 978, 980, 982, 984, 986, 988, 990, 992, 994, 996, 998, 1000.

The Esabece Club of Victoria won first honors in the bean estimating contest conducted in connection with the city's May Queen coronation. It was announced today by officials in charge of the event.

As a result of its estimate, the club placed second, with 225. Second prize, amounting to \$20, was won by Mrs. B. Long of Courtenay, while the Esabece Club and Allan M. Davies, 201 Ontario Street, tied for third honors.

The winning estimate was \$740, that of Mrs. Lang, \$741 and that of the Esabece Club, \$742. Other winners were: \$10, J. H. Harvey, 1109 Sutherland Street; \$10, R. Williams, 3400 Dalhousie Street; \$10, Hubert Blackford, manager, Queen's Hotel, 306, 308, 310, 312, 314, 316, 318, 320, 322, 324, 326, 328, 330, 332, 334, 336, 338, 340, 342, 344, 346, 348, 350, 352, 354, 356, 358, 360, 362, 364, 366, 368, 370, 372, 374, 376, 378, 380, 382, 384, 386, 388, 390, 392, 394, 396, 398, 400, 402, 404, 406, 408, 410, 412, 414, 416, 418, 420, 422, 424, 426, 428, 430, 432, 434, 436, 438, 440, 442, 444, 446, 448, 450, 452, 454, 456, 458, 460, 462, 464, 466, 468, 470, 472, 474, 476, 478, 480, 482, 484, 486, 488, 490, 492, 494, 496, 498, 500, 502, 504, 506, 508, 510, 512, 514, 516, 518, 520, 522, 524, 526, 528, 530, 532, 534, 536, 538, 540, 542, 544, 546, 548, 550, 552, 554, 556, 558, 560, 562, 564, 566, 568, 570, 572, 574, 576, 578, 580, 582, 584, 586, 588, 590, 592, 594, 596, 598, 600, 602, 604, 606, 608, 610, 612, 614, 616, 618, 620, 622, 624, 626, 628, 630, 632, 634, 636, 638, 640, 642, 644, 646, 648, 650, 652, 654, 656, 658, 660, 662, 664, 666, 668, 670, 672, 674, 676, 678, 680, 682, 684, 686, 688, 690, 692, 694, 696, 698, 700, 702, 704, 706, 708, 710, 712, 714, 716, 718, 720, 722, 724, 726, 728, 730, 732, 734, 736, 738, 740, 742, 744, 746, 748, 750, 752, 754, 756, 758, 760, 762, 764, 766, 768, 770, 772, 774, 776, 778, 780, 782, 784, 786, 788, 790, 792, 794, 796, 798, 800, 802, 804, 806, 808, 810, 812, 814, 816, 818, 820, 822, 824, 826, 828, 830, 832, 834, 836, 838, 840, 842, 844, 846, 848, 850, 852, 854, 856, 858, 860, 862, 864, 866, 868, 870, 872, 874, 876, 878, 880, 882, 884, 886, 888, 890, 892, 894, 896, 898, 900, 902, 904, 906, 908, 910, 912, 914, 916, 918, 920, 922, 924, 926, 928, 930, 932, 934, 936, 938, 940, 942, 944, 946, 948, 950, 952, 954, 956, 958, 960, 962, 964, 966, 968, 970, 972, 974, 976, 978, 980, 982, 984, 986, 988, 990, 992, 994, 996, 998, 1000.

The Esabece Club of Victoria won first honors in the bean estimating contest conducted in connection with the city's May Queen coronation. It was announced today by officials in charge of the event.

As a result of its estimate, the club placed second, with 225. Second prize, amounting to \$20, was won by Mrs. B. Long of Courtenay, while the Esabece Club and Allan M. Davies, 201 Ontario Street, tied for third honors.

The winning estimate was \$740, that of Mrs. Lang, \$741 and that of the Esabece Club, \$742. Other winners were: \$10, J. H. Harvey, 1109 Sutherland Street; \$10, R. Williams, 3400 Dalhousie Street; \$10, Hubert Blackford, manager, Queen's Hotel, 306, 308, 310, 312, 314, 316, 318, 320, 322, 324, 326, 328, 330, 332, 334, 336, 338, 340, 342, 344, 346, 348, 350, 352, 354, 356, 358, 360, 362, 364, 366, 368, 370, 372, 374, 376, 378, 380, 382, 384, 386, 388, 390, 392, 394, 396, 398, 400, 402, 404, 406, 408, 410, 412, 414, 416, 418, 420, 422, 424, 426, 428, 430, 432, 434, 436, 438, 440, 442, 444, 446, 448, 450, 452, 454, 456, 458, 460, 462, 464, 466, 468, 470, 472, 474, 476, 478, 480, 482, 484, 486, 488, 490, 492, 494, 496, 498, 500, 502, 504, 506, 508, 510, 512, 514, 516, 518, 520, 522, 524, 526, 528, 530, 532, 534, 536, 538, 540, 542, 544, 546, 548, 550, 552, 554, 556, 558, 560, 562, 564, 566, 568, 570, 572, 574, 576, 578, 580, 582, 584, 586, 588, 590, 592, 594, 596, 598, 600, 602, 604, 606, 608, 610, 612, 614, 616, 618, 620, 622, 624, 626, 628, 630, 632, 634, 636, 638, 640, 642, 644, 646, 648, 650, 652, 654, 656, 658, 660, 662, 664, 666, 668, 670, 672, 674, 676, 678, 680, 682, 684, 686, 688, 690, 692, 694, 696, 698, 700, 702, 704, 706, 708, 710, 712, 714, 716, 718, 720, 722, 724, 726, 728, 730, 732, 734, 736, 738, 740, 742, 744, 746, 748, 750, 752, 754, 756, 758, 760, 762, 764, 766, 768, 770, 772, 774, 776, 778, 780, 782, 784, 786, 788, 790, 792, 794, 796, 798, 800, 802, 804, 806, 808, 810, 812, 814, 816, 818, 820, 822, 824, 826, 828, 830, 832, 834, 836, 838, 840, 842, 844, 846, 848, 850, 852, 854, 856, 858, 860, 862, 864, 866, 868, 870, 872, 874, 876, 878, 880, 882, 884, 886, 888, 890, 892, 894, 896, 898, 900, 902, 904, 906, 908, 910, 912, 914, 916, 918, 920,

## JIMMY DYKES GIVES VIEWS

Manager of Surprising Chicago Sox Ball Team Gives Reasons For Win Streak

New York, May 21.—Jimmy Dykes, back in the big town to take a bow with his front-running Chicago White Sox, may be a trifle surprised himself to find his club setting such a dizzy spring pace but he won't admit it, even after absorbing an opening blast from the New York Yankees.

"I'm not claiming any pennants in May with an outfit that finished in the cellar last year," smiles the chatty Sox pilot, "but neither am I making any secret of the fact we are a whole lot better ball club and aiming to give 'em all a scrap the rest of the season."

"Go on, Jimmy, you tell 'em," joked his old companion of championship days with the Philadelphia Athletics, Al Simmons. "You better take advantage of your opportunities now, with all these newspapermen and photographers giving you so much extra attention."

By no means reluctant to take the floor again, Dykes continued: "It's like this and it's very simple. We are getting more hitting and better pitching than we expected and the whole club is hustling with renewed spirit."

"The big difference with the club compared to last year, is the way our pitchers have developed. Hayes and Applegate have filled big holes and they are both hitting, especially Hayes. Then, too, Luke Sewell's catching has steadied the whole pitching staff. Luke has had a lot to do with the sensational work of Johnny Whitehead, our recruit star."

## "FREE" TO OPEN UP TO-MORROW

New Equipment Secured For Popular Gorge Bathing Resort

"The old swimming hole," the city's free bathhouse at the Gorge, will be officially open to the public to-morrow.

Ralph Alcock, unassuming hero of many rescues in the vicinity of the popular bathing place, will again be in charge of the building and will continue his work of caring for those who swim only moderately well and teaching those who cannot swim at all.

Two new rafts, one for men and the public landing, have been built for the opening and a revolving log has been anchored in the bay to add to the sport there.

Six extra piles have been driven in to support the front of the building and the roof and floors will be painted in the near future.

A number of new rafts have been placed on the beach promenade for parents desiring to watch their children in comfort.

Given fair weather, a good crowd should flock to the "free" over the celebration holidays and week-end.

## Twite's Eleven Beats Cowichan

In a cricket match played at Duncan Sunday, C. W. Twite's eleven from Victoria defeated Cowichan by ten runs after an interesting match. Scores follow:

## "Copperfield" At Dominion

Cast of Well-known Players Have Leading Roles in Dickens' Masterpiece

"David Copperfield," the prize-winning photoplay which opened today at the Dominion Theatre, is destined to take its place as one of the outstanding hit pictures of all screen history.

Boasting a cast of sixty-five stars and featured players in the major roles, the picture vibrates with an intensity that cannot be imagined. It blends every element of entertainment—romance, pathos, comedy, thrills and spectacle—in such deft quality that one fairly lives with the characters as they work out their destiny on the screen.

It is a faithful translation of Dickens' best known and best loved story, but it reveals entertainment that never could be imagined by any one who has read Dickens only casually. The romance and comedy, especially, are emphasized.

Among the scores of favorites in the cast are W. C. Fields, Lionel Barrymore, Maureen O'Sullivan, Madge Evans, Edna May Oliver, Lewis Williams, Ethel Allen, Roland Young, Basil Rathbone, Elsa Lanchester, Jean Cadell, Jessie Ralph, Lennox Fawcett, Violet Kemble-Cooper, Una Connor, John Buckler, Hugh Williams, Ivan Simpson, Herbert Mundin, Fay Chaldecott, Marilyn Knowlden, Florine McKinney, Harry Bernard, Mabel Colcord, and the eminent novelist, Hugh Walpole, who beside adapting the screen play with Howard Eatabrook, also enacted the role of the Vicar.

Perhaps outstanding in "David Copperfield," achievements is the development of the new child star, Freddie Bartholomew, who plays the boy David.

**CAPITOL THEATRE**

Recording one of the strangest assortments of musical instruments ever faced by a "sound mixer" was the intricate task accomplished in the filming of "Naughty Marietta." Metro-Goldwyn-Mayer's spectacular presentation of Victor Herbert's famous musical romance which is at the Capitol Theatre with Jeanette MacDonald and Nelson Eddy heading an elaborate cast.

The added assortment of instruments added to the complication of recording one of the most difficult songs, from the sound engineer's standpoint, ever to be successfully placed on film.

That number was "The Italian Street Song," which Miss MacDonald sings with a group of gypsy singers in a square in old St. Louis. The air is lilting, spirited, choral number in the most representative Herbert style, sung against Miss MacDonald's central theme in a high coloratura soprano. The wide difference in tone-levels and the ancient instruments set a new record for flexibility of recording.

## Suspension Of Act Explained

F. Waide and T. G. Norris Heard By Metchosis Sheep Breeders

Special To The Times  
Metchosis, May 21.—An important meeting of the Metchosis Sheep Breeders' Association was held in the Community Hall on Friday evening last, attended by all local breeders and many from outlying districts. W. O. Sweetman was elected to the chair.

F. Waide, president of the association, introduced T. G. Norris, K.C., of Kelowna, legal adviser to the Sheep Marketing Board.

Mr. Waide said that since the Sheep Marketing Act came into force in Victoria last week he had been criticized for his attitude towards the act, and wished to take the opportunity to explain his position. He said he had always been opposed to the act because it restricted the liberty of the individual, and also because of the pooling clauses. These clauses, however, would not be enforced, he said. With regard to exemption, he said he took up at Kamloops the matter of Vancouver Island and the Gulf Islands being exempted or made free of the act, and quickly realized, however, that this would be suicidal, because if we were exempted, we should have no control over imports, we would be swamped with surplus lambs and mutton, and our prices cut to pieces. Mr. Waide said, "The situation would be that the board operating in Vancouver would keep their markets steady by sending their surplus to Victoria and other points, rather than lower their prices to the packer. Exemption would mean that we would become the dumping ground of all surplus lambs from the mainland."

"The reason for the suspension of the act was that we were advised that we could immediately take up operations under the Provincial Marketing Act, but later discovered that until the scheme had been confirmed at Ottawa it was illegal for us to make any levy or collect toll, as this came under the head of indirect taxation, which only the federal government has power to levy. We are expecting to get the confirmation through in about three weeks when the board will again operate."

Meetings are being arranged to explain the operation of the scheme. No. 1 area has been in the process of organizing for the last two years and is now functioning in an orderly manner. As this area controls some 80 per cent of the produce of the province it would be absurd for the remaining 20 per cent to stand out, said Mr. Waide.

Many questions were asked Mr. Norris respecting the various clauses in the act. He urged the producers to consult the board management on any questions of doubt, and work in co-operation with them. The Natural Products Act was not an effort to restrict the individual, but a measure for the betterment of industry under set rules. Wide powers were given to boards, as emergencies arose which had not been foreseen, and one of the objects was to see that some individual did not take advantage of others. Where an agency is established it will interfere as little as possible with same marketing. He spoke of marketing regulation and control as practiced in the Okanagan Valley, and stated that under statu-

**COLUMBIA THEATRE**

Louis Brock, associate producer for RKO-Radio Pictures, says that his chief ambition is to become known as the man who has introduced the largest number of musical stars to the screen. To that end, he has given prominent players roles to upcoming songsters in his latest musical comedy, "Down to Their Last Yacht," the feature at the Columbia Theatre. They are: Sidney Fox, Polly Moran, Sidney Blackmer, Irene Franklin, Tudor Williams, Franchot White, Felix Knight and Larry Burke.

**PLAYHOUSE THEATRE**

Wesley Barry, the freckled-faced lad who was discovered by Marshall Neilan fourteen years ago and developed into one of the screen's favorite silent stars, is returning to pictures in Ann Harding's new starring vehicle, "Vergie Winters," with John Boles in the leading male role. Wesley, now grown-up, has been devoting his time to personal appearances and stage work. "The Life of Vergie Winters," directed by Alfred Stantell, is adapted from a short story by Louis Bromfield, and is now being shown at the Playhouse Theatre.

## New Marketing Scheme Mooted

Butter Board For Three Western Provinces Is Plan to Avoid Competition

Dairymen of the Fraser Valley are now faced with the first serious threat of competition to disrupt their marketing scheme which went into effect last year, according to provincial advice.

Alberta butter, they claim, is being imported into Vancouver and sold at loss leaders in big stores at prices below that paid the Fraser Valley farmers for butterfat. Under the present marketing scheme the Alberta product is not subject to market control.

To meet the situation the dairymen are proposing a special control board be set up to handle marketing of butter in the three western provinces. This, they say, would eliminate unfair competition of the sort now faced.

In this move the dairymen are expected to have the backing of the provincial government. Several months ago Hon. K. C. Macdonald, Minister of Agriculture, pointed out the necessity of regulating imports into controlled markets. The butter situation appears to be the first test.

The dairymen are preparing to advance their proposal to the federal marketing authorities, it is understood.

## RELIEF COST TOTALS \$758

Esquimalt Council Hears Statement of Public Works Department

Relief labor cost the municipality of Esquimalt the sum of \$758.31 up to April 30 of this year, it was shown in the statement of public works expenditures submitted to the municipal council at its meeting yesterday evening by H. F. Bourne, municipal engineer.

The actual expenditures on this labor amounted to \$1,895.78. From this was subtracted a 60 per cent government grant, amounting to \$1,137.47.

The majority of the work during the period was in the development of the new park at Saxe Point.

**PUBLIC WORKS COST**

Total expenditures of the public works department for the period amounted to \$4,954.09, out of a estimated figure for the whole year of \$10,111.50. With the addition of receipts from garbage collection and other minor sources, the department still has \$11,578 left in its hands for the rest of the year.

Of the expenditures, general work accounted for \$299.50, sewer maintenance for \$267.37, garbage collection for \$260.86, road maintenance for \$201.40, and engineering and office expenses for \$768.09.

**PERENNIAL QUESTION**

During the consideration of the engineer's statement by the council, the perennial question of the necessity or otherwise of employing an engineer was again raised by its originator, Councillor T. Harry Hodgson. The councillor stated that he did not consider the size of the expenditures on general work warranted the employment permanently of such an official.

Reeve Alexander Lockley replied that the municipal engineer was being kept continuously busy with a large number of small problems which continuously arose in the municipality, in addition to his normal work, which was already considerable.

**TO CALL TENDERS**

On a motion by Councillor F. G. Nelson, it was decided that in future tenders would be called for all purchases by the council amounting in value to more than \$50.

A by-law authorizing a loan from the provincial government amounting to \$600, to cover direct relief expenditures for the months of April and May was introduced at the meeting. A special meeting of the council has been called for next Monday evening at 7:30 o'clock to give the by-law final reading.

The next regular meeting of the council will be on the evening of Monday, June 10, it was decided.

Seven agreements under the Better Housing Act were completed with payment by the provincial government to-day of \$300 grants to those fulfilling their obligations. The agreements covered three properties in Vernon, two in Kamloops and one each in Nelson and Port Goughlan.

## Court Gets Dull; Spectator Reads

One of Regular Attendants Find Liquor Hearing Not So Interesting and Boredoms Novel From Friend

A regular spectator of the City Police Court yesterday found the hearing of a liquor charge against a Chinaman rather dull and resorted to reading a book rather than listen to tedious examination and cross-examination of the case.

The man, who is regularly seen in the public gallery in the courtroom, listed for the first part of the hearing, but soon opened a book, which he had borrowed from a friend spectator, and was deeply engrossed in it during the remainder of the proceedings.

Even the raised voice of W. C. Moreau, K.C., in cross-examination of R.C.M.P. officers failed to distract his attention from the volume, which he appeared to be thoroughly enjoying.

## SET TRAFFIC COUNT DATE

Victoria's annual pedestrian traffic count in the downtown areas will be made on June 29, the last Saturday in June, George Okell, city assessment commissioner and collector, announced to-day.

The count is made every year to determine the number of passers-by at certain intersections and along certain blocks. From the count, the officials compute the potential shopping value of various sites and from that decide, to a certain extent, the assessment.

Half of the 1934 assessment survey has been carried out already, it was understood to-day. Just what revisions would be made could not be determined.

Under the current assessment, land is down between \$4,000,000 and \$5,000,000 from the figure it held in 1910 when the assessment was \$25,288,892.

On the other hand improvements have risen from \$11,602,190 in 1910 to \$31,340,100 in 1934. Taxation is levied on 100 per cent land and 60 per cent of improvements on the basis of forty-one mills.

Clip out this feature, attach the stamp described, if you have it or can get it, and paste up in scrap-book form.

**ADVERTISING COUNTRY**

A COUNTRY could find no better means to advertise its products than its own postage, which spreads propaganda on every piece of mail addressed to all parts of the world. Yet few nations have taken advantage of this possibility, although the idea is spreading fast.

One of the best examples of national advertising by stamps is that of Colombia. In 1932, this country issued a series of five regular postage stamps, and one of six air mail stamps, each stamp illustrating a product which Colombia exports.

These are known as the "Wealth of Colombia" issues, and advertise the republic's coffee, cattle, oil, and bananas, its gold, platinum, and emerald mines.

Of course, the country is rich in several other minerals and in mahogany, cedar and cypresswood, all of which are exported.

## FINE SPIRIT OF LOYALISTS TOLD

Importance of Their Influence on Canadian Opinion Reviewed

The strength of character and will of the United Empire Loyalists has had an influence in the moulding of public opinion in Canada, ever since their migration northward, Dr. W. A. Carrothers, chairman of the B.C. Economic Council, told members of the provincial branch of the Loyalist Association at a meeting at the home of Mr. and Mrs. Walter E. Adams, 1790 Beach Drive, on Saturday.

If the future were faced with the spirit of the Loyalists there would be an even greater Canada than this temporary depression terminated, Dr. Carrothers said. The importance of the Loyalists' migration from United States was not sufficiently emphasized in written history, Dr. Carrothers thought, adding they had created a national sentiment toward home which had done more for Canada than was generally realized.

Dr. Carrothers also dealt with immigration problems in Canada and the

## Fine Response On Forest Plan

Applications Start To-day on B.C. Scheme For Training Youths

Employment and relief of "ces" throughout the province yesterday were flooded with applications from young men seeking to take the government's forestry training course.

Applications will be taken all this week and from the first response it was believed there would be double or treble the allotment of 850 men, for which the programme calls.

One official, commenting upon the applications taken so far, said: "We have had a very fine type of men applying and they seemed very enthusiastic."

It will not be possible to take all who apply, it was explained, as the scheme is limited. Applications will be examined immediately, however, and it is hoped to have the crews chosen within a week or so and out in the woods by June 1.

## CIVIC PICTURE WILL BE TAKEN

A big civic picture, in which Mayor David Leeming, 1685 Aldermen, members of the City Hall staff and leaders of the outside departments will be shown, will be taken near the end of the month, according to arrangements completed at the hall to-day. The picture will be the first of its kind at the civic institution and will be kept as a record for future years.

Individual pictures of the mayor and the aldermen will also be taken during the month.

## CONFIDENCE IN LIFE INSURANCE

Reg. Harris Gives Some Facts to Members of Kinsmen Club

"When we know that there is over \$60,000,000,000 insurance in force on the North American continent it conveys to us the extent to which the public has confidence in this great social agency—life insurance," said Reginald N. E. Harris, manager of the Dominion Life Assurance Company, when speaking to members of the Kinsmen Club at the Empress Hotel during "Life Insurance Week."

"Massive figures, however, rarely enthrall anyone," Mr. Harris continued. "When I make the statement that life insurance has become the greatest paymaster the world has ever known, I think I begin to convey to you in some measure the very important part which life insurance is playing in the economic life of the world to-day. If Victoria were the headquarters for all life insurance companies on this continent, it would be necessary to dispatch the sum of \$6,000,000,000 a day to policyholders distributed throughout the country."

"This statement becomes even more spectacular when we realize that this institution has gathered little streams of currency which by themselves would be ineffective and by gathering them into one large pool they become the greatest investment agency known to-day."

The speaker went on to discuss a number of questions which might be raised and in simple language explained in detail the various details of modern policy contracts. He dwelt at some length on the safety of life insurance, believing this question was uppermost in the minds of the public to-day. He explained there are four great laws which govern the life insurance institution from the destructive elements which strike down other lines of business.

These laws grow out of fundamental facts which are far more profound and far more enduring than those which control other institutions. Two laws govern the outgo and two the ingo. The first law which governs the outgo is mortality. Death is not affected by changes in conception, government, or by industrial, social and economic or political revolutions.

The second law which governs outgo is time. Contracts mature at a certain time, twenty or thirty years hence. Incomes for life commence at age sixty or sixty-five, and the tramping years march by in undisturbed majesty indifferent to current conditions which are far more profound and far more enduring than those which control other institutions. Two laws govern the outgo and two the ingo. The first law which governs the outgo is mortality. Death is not affected by changes in conception, government, or by industrial, social and economic or political revolutions.

Vernon Ridgeway of the Mutual Life introduced Mr. Harris to the gathering and Joseph McAllister moved the vote of thanks.

## WIDE RESPONSE TO "Y" FOLDER

The tallness of Victoria's men, as well as the scenic attractions of the city, are becoming known in all parts of the North American continent. A flood of letters from all parts of Canada and the United States are coming in to Frank Paulding, general secretary of the local Y.M.C.A. in reply to a circular which the Victoria "Y" recently sent out bearing a picture of some of the city's many glories.

The letters come from such places as Hartford, Conn.; San Francisco, Calif.; Rochester, N.Y.; San Pedro, Calif.; Vicksburg, Miss.; and Hollywood. They all make reference to the tall men, and congratulate Mr. Paulding on the originality of his folder.

One association writes that they have already taken several good ideas from the Victoria announcement for their own use.

value of democratic government administration.

Dr. W. R. Gunn presided and moved a vote of thanks to the speaker. Entertainment was provided by Mrs. Gunn who requested two vocal solos, accompanied by Miss Eileen Dumbleton, and Miss Janet Dods, elocution prize winner at the music festival. Refreshments were served at the close of the meeting, after which W. E. Loew moved a hearty vote of thanks to Mr. and Mrs. Adams for their hospitality.

## GOOD CATCHES AT BRENTWOOD

The big springs are running better at Brentwood, now, according to fishermen who spent the hot weekend out on the Arm.

One exhibit, on display at Filmer & Hatcher's store yesterday showed six beautiful, running from ten to fourteen pounds apiece. They were part of the haul made by F. E. W. "Doc" Smith, 110 Medina Street, and J. P. Hall, 159 Cook Street.

## CHOIRS READY FOR BIG EVENT

Final rehearsals for the massed choirs of 600 voices which will be heard Friday evening at the Armories, in connection with the May 24 celebrations, are now in progress with the most encouraging results.

A special platform has been built in the Armories to accommodate this large body of singers. Seating arrangements for the audience have been carefully planned and special attention has been given to the lighting with regard to both the choir and audience.

A corps of scouts, through the kindness of Major Wise, will be on hand to act as ushers, and the committee in charge of this portion of the celebrations feels confident that it will

## Musical Event To Be Feature

Massed Choirs of City Will Take Part in Holiday Programme This Week

By G. J. D.  
For the first time in many years, music will occupy a prominent part in the two day-celebrations on Friday and Saturday of this week.

One of the chief features to be staged on a large scale is a massed choir of approximately 600 voices brought together from the many choir lofts of the city churches and choral organizations, in a jubilant community spirit.

This body of singers will render, under the choir-master of the Metropolitan Church, Frank Tupman, the one of the outstanding successes of the day.

Frank Tupman, well-known local conductor, will be in charge of the massed choirs. The orchestra will be under the direction of Alfred Prescott; Edward Parsons will be accompanist. The programme will open promptly at 8 o'clock.

opening "Theme Song," composed for the occasion by J. W. Buckler, the choir-master of Centennial Church, and four choruses, the patriotic chorus, Elgar's "Land of Hope and Glory," two choruses from Handel's oratorio, "Samson," "Then Round About the Starry Throne," and "Let Their Celestial Concerts," and the great "Hallelujah Chorus," the triumphal climax of Handel's mighty "Messiah."

In addition several part songs will be sung by different vocal groups as follows: The two-part songs, "Awake, Awake," (Wood), and Fanning's virile "Song of the Vikings," by the Beaver Club (Hudson's Bay Company), and David Spencer's Choir, conducted by Cyril Warren, with Grace Allen and Jessie Smith acting as accompanists; the Elgar and Centennial Ladies' Choirs combining in Brahms's folk tune, "Cradle Song," and Thompson's majestic "Night Hymn at Sea," conducted by J. W. Buckler, accompanied by Gertrude Straight; three part songs, by the combined forces of the Arion Club and the Victoria Male Choir, in "Worship of God in Nature," in which are reflected Beethoven's love of nature and his faith in God's power; "Hey Robin, Jolly Robin" (Shaw), and Donizetti's dramatic "Now the Night in Starlit Splendor," conducted by Frank Sehl and accompanists, Mrs. Clifford Ward and Maquinn Daniels, and two final part songs by the members of the High School Choir, under its director, Frank Tupman, both delightful.

"The Morning" by Lee, and Bathurst's "The Fall of the Rain," Marjorie Dixon accompanying.

Edward Parsons, organist of the Metropolitan Church, will accompany the massed choirs, and Alfred Prescott will lead the large orchestra.

# NABOB

Free Write for copy of our NEW PREMIUM CATALOGUE Kelly, Douglas & Co., LIMITED Vancouver, B.C.

# COFFEE

NABOB... first in Canada to introduce Vacuum Packing, now presents THERMALO... a new roasting process that brings out more of every quality that makes coffee delicious.

You cannot buy as good as NABOB for less.

George Green, well-known cornetist, will contribute two selected trumpet solos.

The musical event is to take place in the Armories, and is scheduled to commence at 8 o'clock.

Stanley Peel, chairman of the music committee, advises purchase of tickets early at Fletcher Bros.' music store, to avoid any delay at the entrance before the opening theme song, as a big attendance is anticipated.

Appointment of Mrs. Annie Kynoch as deputy mining recorder at Port St. James for six weeks starting June 1 was announced at the Parliament Buildings to-day.
